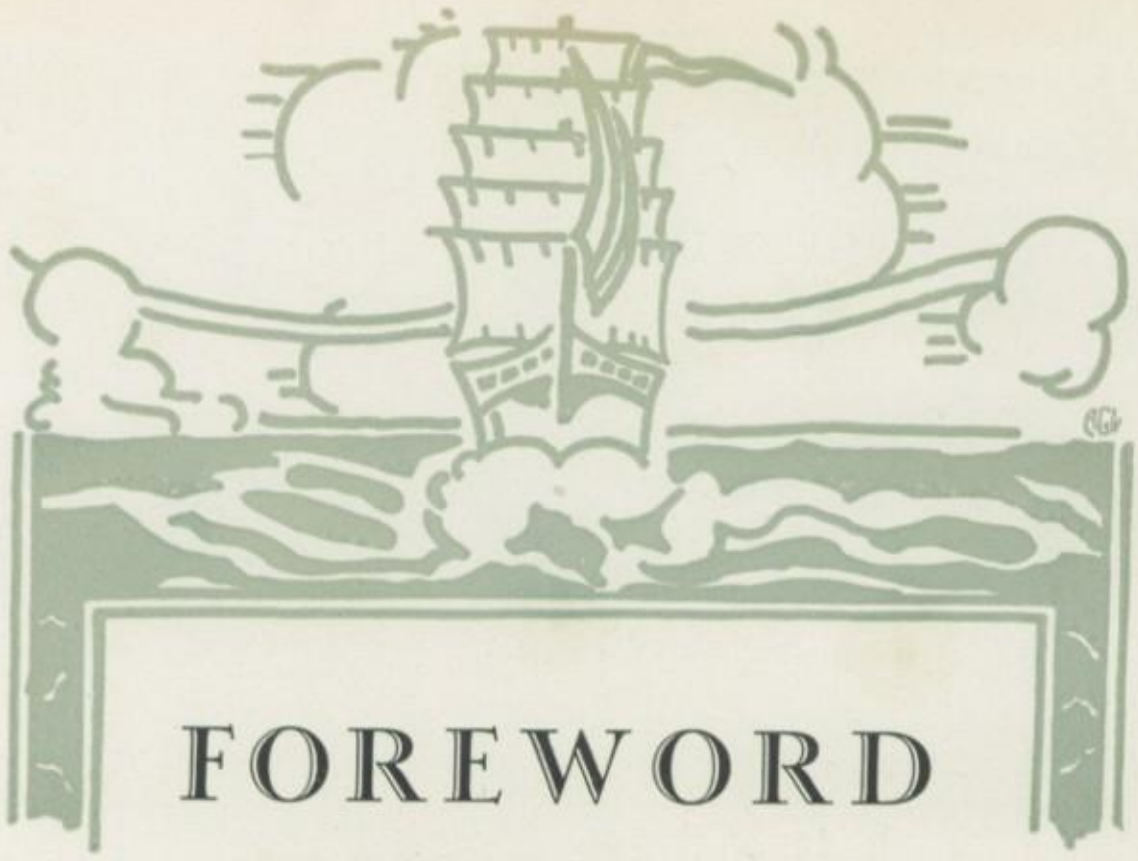
OF

GALION HIGH SCHOOL

GALION, OHIO



FOREWORD

To preserve a record of the past year's student life in Galion High School, and as a tribute to that glorious Eagle of the Seas, Old Ironsides, we offer this book.

No doubt we have failed to include material which might have been of interest to many. For this we are sorry.

However, if we have placed before you a volume which, in years to come, will call up the memory of pleasant hours, we shall not regard our labors as vain.

DEDICATION

In dedicating this volume we chose to bestow the honor on our parents. To them we owe gratitude for life itself. It is they, too who, at the opportune time, led us to prepare for our life's work, by way of the path of education. May this book be a homage for their many deeds of affection and devotion.

OPPORTUNITY

Ours is a land of opportunity. The successful boy or girl is the first to sieze Opportunity. Delay too long to consider and She is gone and it is too late.

Opportunity is one of three things which do not come back: The spoken word; the past life; and neglected opportunities.

Do not wait for Opportunity to come to you, but go and seek her.

Numberless opportunities fall under our eyes. If we but have eyes to see them and hands to pick them up. The falling apple was the opportunity for Newton to solve the secret of gravitation; a floating seaweed floating by his vessel enabled Columbus to pacify a mutinous crew and to inspire his men with the promise of a new continent; a jumping tea-kettle lid aroused the boy's curiosity and resulted in the giant of industry—the steam engine; a kite and key in Franklin's hand was the germ that resulted in our modern electrical inventions.

There never existed more opportunities than there are in our age, and may the Class of 1928 embrace theirs and make the most of them.

Opportunity is the flower of time, and as the stock remains after the flower is cut off, so time may be with us when Opportunity is gone forever.

A. J. Monroe,
President, Board of Education

A TOAST

Here's to the youth of Galion High
Loyal, brave, and true!
Here's to their goals and achievements nigh,
Sought with courage new.

THE LURE OF EDUCATION

The "Lure of Education" challenges the student to interpret the facts of the great world about him. Facts are of little value in themselves. Power to interpret situations, life, and the world is more important than to know about them.

We are asking for information—we are seeking facts—but too often we are unable to understand them. The great things of life have come through the right interpretation of simple elementary principles.

R. D. Conrad
Supt. of Schools

EDUCATION

Education, aside from the acquisition of knowledge which it implies, exercises everlasting influence on the factors of conduct. The Senior who is well trained both mentally and morally will have absorbed these factors in addition to the elements of knowledge. You have learned the fundamental laws of nature and their operations but you have learned more, for, you have learned to love nature and art, and to abhor wrong as well as emulate good. Your life has become enlarged, strengthened and improved by the experience in Galion Senior High School but you must be able to gather and vitalize the greater problems of life with the fundamental elements and basic principles that underlie your education. It will require the fullest development and greatest activity to discharge properly the functions of your life. Although such mental development greatly enlarges duties and responsibilities it likewise multiplies the joys of living and increases the hopes and ambitions of your future.

May these factors strengthen you by the formation of proper habits which are the worthwhile things to be taken from any High School.

SENIOR CLASS HISTORY

On a late autumn day in September 1924 there were one hundred twenty-four students prepared to enter Galion High as Freshmen. Of course we were all green and were amazed at the many wonders of the Senior High School. Its long halls and many different rooms puzzled us so, that we were completely lost the first couple of days. This was a banner year in our school life. To begin with, we had a class meeting and elected the following "guiding reins" for the year: DeWitt Kersh, President; William Wagner, Vice President; Naomi Meeker, Secretary; and George Britt, Treasurer. Green and White were chosen as our colors. We all agreed to have a "get acquainted" party at Ness's Grove and all members of the class enjoyed it immensely. Next we were challenged to a Tug of War by the Sophomores and we gave them the ducking that they had planned for us. They'll never forget it.

They forgave us in part though and entertained us at a dandy reception on Hallowe'en. To top off our Freshman year we copped the medals for selling the greatest number of Lyceum Course Tickets.

Our Sophomore year was started with a rush by electing DeWitt Kersh, President; Ralph Cohen, Vice President: and Naomi Meeker, Secretary and Treasurer. Our main event that year was the reception which we gave the class of '29. During the first two years we were well represented in all forms of athletics. As the year drew to a close we began to make pllans for the last two years of our school life which everyone knows are the most important.

In the fall of '26 we began our Junior year in G. H. S. We called a

class meeting and elected Wm. MacFarquhar, President; Margaret Nichols, Vice President; Theodore Schaefer, Secretary; and Edward Sawyer, Treasurer. Many things were accomplished this year, the first being the publication of our school paper, "The Lantern." A very good staff was chosen from our class, headed by Martha Carol Schaffner as Editor-in-Chief. All the students will say that we put out the best Lantern that G. H. S. has had for quite awhile.

Many more class meetings were called by President MacFarquhar and our class play was decided upon, it being "Only 38"—and boy it took the people of Galion like Grant took Richmond!

Then we chose committees and laid plans for the Junior-Senior Reception which is an annual event in G. H. S. Months of labor and fun followed in preparation, the Senior class colors Old Rose and Steel Gray being used throughout as the color scheme. The reception is always hailed by all as a great event in school life and we sure put on a reception that will be remembered for a long time.

When the Inter-class Basketball tournament was held in March our class team carried off the Silver Loving Cup, the trophy for the champions. It was presented by Ulmer's Jewelry Store as a traveling cup which goes to the class that wins from year to year.

The summer passed and then the eve of our Senior year found us under a full moon, transforming the appearance of the campus with streamers of green and white. To our surprise the primary classes had slept all the day before so as to stay up late that night and we were afforded some real competition. But the class of '28 were not to be vanquished and the rising sun shone on a greasy flag pole with a banner of green and white waving in the breeze. Soon a class meeting was held and Wm. MacFarquhar was again elected President; Dixie B. Snyder, Vice President; Theodore Schaefer, Secretary; and Edward Sawyer, Treasurer. We immediately started work on our high school annual, "The Spy," by electing an efficient staff with Theodore Schaefer as Editor-in-Chief. Publishing "The Spy" is a very difficult task and only through hard work has the staff produced a book which they believe is worthy of representing the class of '28.

We are confident that our Senior Class Play will be one of the big hits of the year, and we are also looking forward to the reception which the Class of '29 is planning for us.

Our class was well represented in all fields of sport during our four years in high school. All through our high school years we enjoyed many class parties and important meetings.

—And so may all the future classes of G. H. S. respect and uphold the high ideals and morals set by the Class of '28.

Edward Sawyer, '28

JUNIOR CLASS HISTORY

It was a great day for old G. H. S. when some of the future presidents, statesmen, orators, scientists, Lindberghs, and women of great renown entered G. H. S. Chapel—The Class of 29.

As we marched down the aisle one hundred and forty-seven strong we represented the most unique, brilliant, and largest Freshman Class that ever entered Galion High, and were greatly admired by the upper classmen for our courage. We upheld these high standards throughout the year. Many social gatherings were held and we were very prominent in athletics. In the early part of the year we held our first class meeting and the following officers were elected: Robert Zinn, President; Charles Line, Vice President; Eugene Grubaugh, Secretary; and Norma Amann, Treasurer; for our Class Colors we chose Blue and White.

Upon re-entering school in the Fall of 1926 as Sophomores we were less in numbers but greater in determination. At our first class meeting we elected the officers who led us nobly through that year: Robert Schupp, President; Helen Laughbaum, Vice President; Charles Line, Secretary; and Eugene Kirtland, Treasurer. During the year a number of parties were held and one of mention was the Christmas Party held in the Gym which was a huge success. Throughout the year we were well represented in the extra curricular activities.

When we came back as Juniors in the Fall of 1927 we realized that half of our days in good old G. H. S. were over, and our slogan for this year was to accomplish bigger and better things, to carry on successful undertakings and to enter into all the activities of the school. We are represented in many organizations of the school and as Juniors endeavor to maintain a permanent influence in the history of Galion High School.

Our officers who led us this year were: Robert Schupp, President; Robert Zinn, Vice President; Katherine Peebles, Secretary, and Eugene Kirtland, Treasurer.

One of the outstanding events of this year was our Junior Class Play "White Collars" which was a very decided success.

The most important event of our Junior year is the Junior-Senior Reception which we hope will be the best ever.

We have one more year and are steadily striving toward the mighty goal and climax of our school life in G. H. S.—Graduation. In recalling the past achievements of our class we can truthfully say our Senior year will find us accomplishing still greater things.

"If all the forests of all the world were converted into one sheet of paper; if all the metals of the earth were forged into one colossal pen; if all the ink were poured into one huge bottle—still this paper, this pen, this ink would not be adequate to write the future glories of the Class of '29."

SOPHOMORE CLASS HISTORY

On a bright, sunny morning in September of 1926 one hundred and forty-seven eighth grade pupils entered the New Junior High. To our surprise we found out that we were not Freshies but ninth graders, an entirely new thing in Galion High. But who could be long disappointed in such a wonderful new building?

At the first class meeting we elected Douglas Young, President; Gilbert Herr, Vice President; Marjorie Bosler, Secretary; and Daniel Postance, Treasurer. Our sponsor was Miss Miller. Yellow and White were the colors decided upon by the class to lead us through our High School years.

In athletics we did very well our first year, especially in football. We challenged the Sophomores to a Tug of War, but they refused. The reason was not stated, but we thought they either did not care to have a ducking, or thought it below their dignity to hold a Tug of War with Ninth graders.

A year passed and a bright, sunny September day found the "Old Gang" seated in the Senior High Chapel listening to the yells of the upper classmen, because we were yet too timid to have our own. We were assigned our different class rooms and it took us about a week to come out of the daze, but after that we started with lots of pep on our class career.

We were glad to at last consider ourselves as high school students and be able to take part in various activities which the year before we were not able to do. But alas, we were regarded as mere Freshmen by our elders, and the night of the color raising will always remain in our minds as a nightmare of unexpected horrors.

Finally we recovered ourselves and a class meeting was called for the purpose of electing our officers, the following being chosen: Richard Horn, President; Gilbert Herr, Vice President; Marjorie Bosler, Secretary; and Ulah Gilmore, Treasurer. Our sponsor was Miss Englehart, a new teacher in Galion High. However, Mr. Molder is now sponsor of the class on account of Miss Englehart's illness.

Our social gatherings were started by having a wiener roast at Ness's Grove and the class enjoyed eating "hot dogs" and toasted marshmallows.

But the greatest event of the year was our Sophomore party which went over big. The chief attraction of the evening was a snappy play put on by some of our talented Sophs. Afterwards we played games and last but not least were the eats which everyone enjoyed.

In athletics our class has acquired a very prominent position. In other activities we have also come to the front. We are proud to have two debaters from the Sophomore class and five of our class are on the Lantern staff.

We also pride ourselves on the quality of our scholarship, which is very high, making many students eligible for the Scholarship Awards.

We hope to make our class the best that ever graduated from dear old G. H. S. and with two years to accomplish this we are bound to make the grade. Three cheers for the class of 1930!

Middle Row: M. Warren, C. Garverick, E. R. Beets, Mrs. Ehrhart, R. Ehrhart.
Bottom Row: E. Dapper, I. Moore, R. Smith, C. Jackson, D. Moore.

The erection of the beautiful building on the site of the old West School, made possible the introduction of the Junior High into our schools. The Junior High School consists of the seventh, eighth and ninth grades. Under the supervision of capable teachers and with the aid of the splendid equipment in every branch of study, the students are given ideal preparation for their last three years of learning in the High School.

FRESHMAN CLASS HISTORY

September 13, 1927, several hundred pupils were seen going to their respective school buildings. On South Union Street, the home of our beautiful Junior High, we saw several bright shiny busses, bringing the children in from the surrounding districts and leaving them to mingle with the other students where all were to continue their education for another year.

After some little confusion, the pupils were seated in the auditorium, and the task of placing them in their proper rooms was begun.

Principal E. R. Beets welcomed the students as a body, and expressed his wishes for hearty co-operation. After introducing the teachers, who were to be our guidance for the coming year, he placed the pupils in the rooms that had been assigned them.

School had really started in earnest, for we were then a week late, due to the infantile paralysis scare, although fortunately to my knowledge not a case was reported in Galion.

Up and down the corridors, the pupils were talking about their studies, and I wonder if some were not a wee bit abashed amid their new surroundings.

After several weeks the students had become used to changing classes, the different rules they were to abide by, and apparently everything was running smooth.

Our Coach, Mr. Dave Eaton, was starting out with a number of recruits, who were working hard for a position on the Junior High Basketball team. I wish to say that the purpose and intention of the Junior High team is to line the boys up for the Varsity team in later school years.

As the Basketball season comes to a close, we sincerely hope that Coach Eaton feels repaid for the hours of training he has given to the boys of the Junior High.

After about six weeks of study, our faculty had decided that we were in need of a student government, and they proceeded to assemble the Freshman Class in the auditorium. After several deliberations as to whom our president should be, we finally elected Edward Hockstra for that office; William McAdams, Vice President; Joyce Baldinger, Secretary; and Ruth Diamond, Treasurer.

As sponsor, Miss Hilda Miller was the choice of the class, and she in her own quiet and winning manner, accepted the responsibility of helping the Freshies through this coming year. We are at the beginning of what seems to us, an endless struggle, for higher education, but we know from the spirit in the rallies and the class meetings, and the different things that we have undertaken to do, throughout the class year, that we are more than the name that has been given us, and that before this High School term is completed, we know that we will be able to prove to all that we are more than just "Green Freshies".

The Lantern is the school newspaper, published twelve times a year. The staff very efficiently furnished news, not only of local interest, but of the work of loyal alumni. The paper this year, thanks to the staff, was a decided success in every way.

HI-Y

The Galion Hi-Y was organized in 1922. The club has grown steadily under its capable supervisors and this year found us under Prof. Molder's efficient leadership. The Hi-Y did a great deal for the advancement and good of the school this year. We had charge of corridor duty, helping visitors around the building and also cleaning up the halls, lockers and rooms.

The Hi-Y has had charge of many interesting and entertaining assemblies and also co-operated with the Girl Reserve in several programs.

These two clubs also had joint meetings at which we had open discussions on subjects of value to both the faculty and student. We attended many church services as a body and endeavored also to do our work in the community as our slogan dictates. Along this line it might be mentioned that we made a substantial donation to the Community Chest.

Under able supervision we have elected new members who have fallen in line and strengthened the organization. The club has had a fine attendance at all the conventions this year and as each delegate, on returning gave his report to the rest of the club and thus everyone profited even if he could not attend.

There were three conventions this year, the largest being at Massillon early in the fall. Later a joint meeting of a number of clubs was held at Ashland and a similar meeting was held at Findlay in the Spring.

The Hi-Y standards are, Clean Speech, Clean Athletics, Clean Scholarship, and Clean Living. The purpose of the Hi-Y is to create, maintain and extend throughout the school and community high standards of Christian character.

The officers for this year were DeWitt Kersh, President; Walter Goshorn, Vice President; LaRonald Jones, Secretary; and Arthur Lindley, Treasurer.

Top Row: V. Ober, M. Smith, M. Campbell, J. Curren, F. Mosier, D. Newman, J. Smith, E. Durtchi, I. Gattner, V. Staton, N. Amann, L. Laughbaum, P. Mackey, E. Petri, P. Booth, P. Ometer.

Second Row: V. Shreck, M. Nichols, I. Monroe, D. Smith, M. Auld, E. Scarbrough, G. Spiggle, E. Seckel, H. Nichols, V. Hannewald, M. C. Schaffner, V. McClure, V. Resch, D. Snyder, K. Frank, M. Horn, B. Castle, V. Garverick.

Bottom Row: L. Conoway, M. Weber, R. McClure, V. Rigby, M. Tracht, K. Peebles, L. Hulse, G. Arter, V. Resch, H. Fellenbaum.

GIRLS RESERVE

There are sixty-five girls in the Galion Girl Reserves who assemble every second and fourth Monday for business and social purposes. The Girl Reserve is a branch of the National Y. W. C. A. and its purpose is "To find and give the best", to create an atmosphere of friendliness in the school and to develope the girls spiritually, mentally, and physically.

Three years of experience have given our G. R. a sound foundation for new activities, adventures, and achievements. We started our activities with a hike which ended up with a wiener roast and good fellowship. At Thanksgiving time baskets of food were sent to needy families of the city. At Christmas, gifts were sent to the Indians and a group of the girls gave a program for the inmates of the County Home. Then came the big social event of the year, the G. R. Leap Year Dance. This added a great deal to the building up of the school and G. R. spirit. At all of our meetings we have gained helpful suggestions from the discussion of many interesting subjects.

The club work is carried on by the members, through committees who are greatly aided by the following advisors, Miss Weston, Miss Mather, Mrs. Goshorn, Mrs. Heiser, Mrs. Sayre, and Mrs. Monroe. We take this opportunity to thank them for their cooperation. The officers are Margaret Nickols, President; Dixie Belle Snyder, Vice President; Martha Carol Schaffner, Treasurer; and Velma Resch, Secretary.

We have striven to make our school better and to improve our club so that it will be a mark of distinction to be a member of the Galion Girl Reserve.

THE LATIN CLUB

The Latin Club was organized seven years ago for the purpose of stimulating and retaining interest in the classes. Sophomores, Juniors and Seniors studying Latin are eligible for membership.

It is the custom for the club to meet in the study hall once a month. The first meeting this year was held in November and the following officers were elected: President, Ethel Arter; Vice President, John Dapper; Secretary, Charles Line; Treasurer, Paul Baldinger.

The programs are arranged by a program committee, appointed at the first meeting. These usually consist of short talks on Roman life and customs, Latin songs, stories and pictures, and musical numbers. At the end of the session a Latin game or contest gives much spirit to the meeting. On special occasions such as Christmas and Valentine day appropriate Latin songs and games were given. At the April meeting, the Freshmen studying Latin were invited to attend and pictures depicting Roman life were shown.

The meetings this year have been interesting and educational and all the Latin students hope the club will continue in the following years to be of as much value to its members as it has been in the preceding.

Literature

Top Row: R. Heiby, V. Rigby, R. Horn.
Middle Row: V. Myers, Miss John, D. Snyder.
Bottom Row: E. Rensch. T. Schaefer, M. Tracht.

DEBATE

The debate season was not as successful this year as last for in all there were three victories and four defeats. Although four debates were lost the teams did their best and were only defeated by one point. The question was a very difficult one to find material on and if it had not been for our coach's efforts, the team would have been entirely at a loss. We certainly are grateful to Miss John. The question was: Resolved, that the classification of property for taxation should be adopted in Ohio in place of the present uniform rule. The teams were upheld by three Seniors, three Juniors and two Sophomores. Seven debates were acquired which is an unusual number for one school. The teams were composed of the following students: Affirmative, Theodore Schaefer, Captain; Evelyn Rensch, Velma Myers, and Robert Heiby, Alternate. The Negative, Margaret Tracht, Captain; Dixie Belle Snyder, Richard Horn, and Vivian Rigby, Alternate.

This was the first year for three of the debaters in this sort of work but they showed marked ability and should be complimented on such good work as it was their first experience.

Our teams for next year should be very good for we are losing but three Seniors. They will be missed considerably, for Schaefer was a very efficient captain and Miss Snyder was outstanding among the debaters because she had a very pleasing delivery. Miss Myers was new at this work this year but she made a fine debater and we surely will miss her in the lineup next year.

The remaining five should be able to bring good results for the coming year.

Schedule for the season:

AFFIRMATIVE		NEGATIVE	
Galion 1	Upper Sandusky 2	Galion	Upper Sandusky 2
Galion 3	Ashland 0	Galion 1	Ashland 2
Galion 2	Marion 1	Galion 3	Mansfield 0
		Galion 1	Delaware 2

Although we lost four and only won three, take notice that our opponent's scores total only nine, while ours total twelve.

LITERATURE

It has been customary ever since the founding of the Galion High School annual to include in the book a department of literature. In fact, the literary section used to be the book's main attraction and it became the task of each graduate to contribute a lengthy essay. Subjects ranged from "The Reformation of Russia" and "Tact and Taffy" to "To Be, or Not to Be."

It seems that the days of such writings are past and we no longer burden ourselves with an undertaking so great. The present day offers other attractions which were unknown to the essayists of thirty years ago. Therefore, in order to stimulate interest, it has become a custom for the Spy to conduct a literary contest among the English students.

When we had chosen for our theme, "Old Ironsides", it was decided to offer a Spy for the best essay with this theme as a subject. We also offered a Spy for the best poem on any subject. The contest was opened to the members of the Junior class and they immediately began search for data on "Old Ironsides". The results were handed in and elimination began.

Originality was probably the prime factor in judging the manuscripts and after much deliberation, we awarded the honor to James Aukerman. In contrast to other years, a large number of poems were received and a decision on them was very difficult. Finally it was decided to award Spys to both Miss Ober and Miss Stiner.

The poem on "Old Ironsides" being in keeping with our theme and "Dance" seemed to be a good example of the modern trend of poetry. We wish to take this means to thank all those who took part and congratulate the winners.

THE U. S. CONSTITUTION

Swaying on the water in Boston Navy Yard lies a great ship of the past, the "Constitution". Her decks are silent, only the spirit of the noble seamen that sailed her, linger. They shall never die!

The ship itself is a memorial to the beginning of a great navy in our United States. The men who died while fighting under her flag have not died in vain, but shall live forever!

From the backwoods of Virginia, over unbeaten paths of slime, men brought lumber with which to build this ship. During the years of 1797-98

carpenters and laborers built this great craft. Boston was the birthplace and that same city is where it is found today, with a name and history that shall never die.

She sailed from Boston under the command of Isaac Hull, a man who was destined to become a figure in our history.

Immediately following the Revolution, England was insulting our ships on high seas. They impressed our sailors into the English Navy, which was the power of the seas during this period. Our republic was struggling within her own boundaries to make and form a nation. Thus, outside affairs were not noticed but we had many merchants who carried on an extensive foreign trade and they cried out for justice.

War was the result, June 8, 1812, the states declared war on Britain. On July 17, 1812 this great "Constitution" had a running fight with five English men-o-war which lasted three days. A dead calm had prevailed but under the guidance of Hull, escape was made. This was a remarkable bit of seamanship.

On August the 19th, 1812, came the great battle with the British ship "Guerriere" and after a hard fight the "Constitution" was again victor. Hull's name rang throughout the nation. This battle took place off the coast of Massachusetts.

Several more victories were also added to her record. On December 29, 1812, the Britisher "Jave" was captured. In February 1812, the "Picton", the "Cyane", and the "Levant", were vanquished.

Her work well done, came rest and in 1830 the Secretary of Navy proposed to dismantle and sell her. This aroused indignation among the citizens and was voiced in a poem by Oliver W. Holmes, "Old Ironsides". She was saved and used as a school ship, later, a receiving ship. In 1900 the vessel was placed in Boston Navy Yard where it still lies.

Several threats have since been made to dismantle her but each brings a series of aroused exclamations. Each year a fund is raised throughout the nation to be used in restoration. The American citizens should be praised for their cooperation in this work. But after all it is only as Lincoln said in his Gettysburg Address, "It is no more than fitting and proper that we should do this."

Our nation has risen to a great and prosperous one. Our navy is one of the strongest in the world. Human lives have been sacrificed in its cause both past and present and the "Constitution" is a "stepping stone" in its rise. So we can do no more than pay to it our humble and just honor.

James Aukerman

OLD IRONSIDES

On the banks of Newfoundland in August 1812,
Was the fight of Our Old Ironsides and the English Guerriere
Our colors were supported by a worthy captain, true,
And he never would surrender, but fought the battle through.

The Guerriere was ruined but our Constitution fair,
Was ready for a battle when the Englishmen were there.
And it never was defeated though it served us long and well,
And so to Old Constitution we ne'er shall say farewell.

Service is remembered and in a navy yard
Old Ironsides has called anchor from the battles long and hard.
And she'll always be remembered as long as there's a bard
To tell about Old Ironsides and the English Guerriere.

Violet Ober '29

DANCE

From breakfast on through all the day
At school among my friends I stay;
But most every night I go to dance
Afar up the road that leads to romance.

All by myself I have to go,
With none to show me what to do,
I'm all alone beside the wall
Grasping the railing so as not to fall.

The strangest things are there for me
Both things to do and things to see
True, many boy friends ask me to dance—
But some people dance while others prance.

Try as I like to do a certain sway I can't.
Sometimes I don't get back till break of day
Nor can remember plain and clear
The curious music that I hear.

May E. Stiner '29

Music-Drama

Top Row: P. Shepard, J. Douglas, U. Gillmore, R. Montague, M. Bosler, Prof. Ehrhart, J. Smith, L. Goldrick, F. Stevenson.

Bottom Row: I. Rizor, H. Hoard, C. Line, D. Tenant, V. Sloane, D. Garverick.

ORCHESTRA

The orchestra under the able direction of Professor Ehrhart, has been one of the outstanding organizations in Galion High School, and has contributed not a little to the music is our school. The orchestra has appeared on several occasions, for some of the lyceum course numbers and gave one complete Sunday afternoon concert. Another concert was given with the band and chorus to a capacity audience.

Its members have also individually contributed numbers to our chapel programs and played at various social functions in the city. Thus the members not only get enjoyment from playing together but get experience in ensemble and solo playing which is so necessary in the well rounded musical education. Needless to say, wherever the orchestra has appeared, it has been appreciated.

The orchestra had several parties this year, the first one being in the form of a pot-luck supper at the home of our director, which was a big success.

Personnel

First Violin—Charles Line, Herman Hoard, Ruth Shoffner, Ira Rizor, Juanita Curren, Eleanor Stevens, Vesta Garverick, Helen Newhouse.
Second Violin—Dave Tenant, Victor Sloane, Donnis Garverick, Ulah Gillmore, Genevieve Arter, Josephine Smith, Isabelle Bishop, Mary Dickerson.
Cello—Richard Horn, Burnell Tenant.
Clarinet—Paul Shepard, Gilbert Herr.
Cornet—Herbert Bodley, Fred Myers, Vaughn Volk.
Trombone—Arthur Ulmer.
Piano—Marjorie Bosler.

Top Row: R. Sebastian, P. Shepard, F. Hahn, L. Goldrick, Prof. Ehrhart, L. Jones, G. Herr, J. Aukerman, F. Stevenson, R. Heinlen, D. Bersinger.
Middle Row: L. Bodley, J. Douglas, H. Shumaker, L. Durtschi, G. Sloane, F. Myers, H. Bodley, C. Thayer, V. Volk, A Beach.
Bottom Row: B. Whitridge, D. Scarbrough, A. Ulmer, R. Reed, V. Sloane.

BAND

A good band is one of the best assets a school can have. G. H. S. has just that kind of a band; one that has "pepped up" the rallies, and one that has followed the team through victory and defeat. They have been to almost every game, played on the home floor or field this year. A bus was hired on two occasions and they went to Shelby and Bucyrus.

The band at present is nearly two years old with a regular membership of twenty-eight. When Mr. Ehrhart made a first call for volunteers only seventeen came. During these two years, all hasn't been a "bed of roses" for the boys, they have faithfully come to practice in all kinds of weather and with their director, worked hard. They have not worked in vain because, on Sunday, March 11 a concert was given. This concert was a real triumph! and we hope for more.

Now students—just a word. Some of these days you will be on a visit somewhere, and naturally you will be bragging to your host, about the wonderful school to which you are a student. Don't forget to mention YOUR BAND!

Personnel

Trumpet—Vaughn Volk, Chas. Thayer, Herbert Bodlet, Harold Muth, Fred Myers, Genevieve Sloane, Lloyd Durtschi, Howard Shumaker.
Alto Sax—James Aukerman, Chas. Heinlin.
C. Mel. Sax—Foster Stevenson.
C. Clarinet—Floyd Myers.
Alto Horn—Orville Sloane.
Clarinet—Gilbert Herr, Paul Shepard, Lawrence Goldrick, Dwight Bersinger.
Flute—Forest Hahn, Donald Scarbrough.
Trombone—Arthur Ulmer, Robert Reed.
Bass—Lawrence Johnston
Drum—Archie Beach, John Douglas, Wm. MacFarquhar.
Cymbals—Byrdell Whittridge.

ACTIVITIES OF THE CHORUS
1927-1928

Early in the fall, under the direction of Prof. Ehrhart, assisted by Mrs. Ehrhart, the High School Chorus began preparation of "The Love Pirates of Hawaii," an operetta in two acts by Otis M. Carrington. After several weeks of hard practice the two casts together with their choruses presented the operetta on December 1 and 2, 1927. The casts:

Miss Dorothy Dear	Martha Auld Florence Moser
Miss Primer	Vera Hannewald Flora Mae McKelvey
Billy Wood	Roger Montague Herman Hoard
Pirate Chief	Arthur Ulmer Burnell Tenant
Scary	Herbert Switzer Roland Ireland
Lehua	Erma Mumford Margaret Hill
Karlani	Cretora Montague Mae Stiner
Lelinoe	Virginia Lowmiller
Marle	Ruth McClure Juanita Curren

To be sure, the competition between the two casts was very great, however, both casts played their parts so well that it was hard to distinguish which was the best.

On December 28 the High School Octette, Florence Moser, Martha Auld, Vera Hannewald, Flora Mae McKelvey, Roger Montague, Elmer Phillips, Arthur Robinson, and Burnell Tenant, accompanied by Mr. Ehrhart, and Marjorie Bosler our pianist went to Columbus where they represented Galion High School in the All State High School Chorus.

The Chorus consisted of about one thousand students from all over the State and was under the direction of Griffith Jones of Cleveland, Ohio. After the concert a sight seeing, shopping and eating tour was enjoyed, followed by a theater party at the Palace. Then the Octette returned, not only with memories of a pleasant trip but with much valuable experience.

Work was then started on music for the concerts which were held on February 26, March 11, and March 25, given by the Band, Orchestra and Chorus.

The activities of the Chorus have been very interesting and the students have all enjoyed the work with Mr. Ehrhart as director. We hope that the music in G. H. S. in the future will be as enjoyable as it has been in the past.

SPECIAL DEPARTMENTS

Just as students are given credit for the fundamental subjects, those studying music and expression are given credit for their work in Galion High School.

Miss Bessie Todd has her regular classes in piano at the High School and Miss Estella Schuler's pupils study at her studio. We surely appreciate having two such competent instructors and much credit is due them.

Miss Todd has been connected with the Galion Schools for a number of years and through her, Galion has been given wide recognition in musical circles. Her pupils not only stand out as having had exceptional musical training, but one can see her influence in their character. She has given freely time and money for the betterment of our school. It is Miss Todd who was founder of the movement to purchase pianos for the Junior and Senior High Schools and our wonderful Freese Memorial organ. It is a privilege indeed to claim her as a member of our faculty.

Miss Schuler studied under Professor Kneutsser at the Chicago Musical College and was recognized as one of his outstanding pupils. Her ability to teach is proven in the beautiful playing of her pupils.

The instructor in voice is Mrs. W. W. Koppe. She is a pupil of Marcel Roger De Bouzon and is a prominent soloist in this section of the state. Her pupils have frequently entertained us and have taken part in all our musical productions. Mrs. Koppe is rapidly placing Galion on the map vocally, not only by her own performance but by that of her pupils.

Dramatics have reached a height to be proud of this year, under the direction of Mrs. L. E. Beck. Besides instructing the elocution classes, she directed the Junior and Senior plays and several productions of the Drama Workshop Players. Channing Pollock's drama, "The Enemy" was probably the outstanding production of the year because of its nature and difficulty, but every play was a gem and genuine skill in coaching was evidenced in each characterization.

ONLY 38

On the nights of January 27 and 28, 1927, a cast of players, composed of Juniors, presented Augustus E. Thomas's play "Only 38" under the direction of Mrs. Loren Beck. On both nights this play was given before audiences who appreciated not only the well written and clever play but also the efforts of Mrs. Beck and the cast to make it a success. "Only 38" is a very admirable comedy drama and it was staged under special arrangement with Samuel E. French of New York.

The plot deals with a minister's wife and her two children, Lucy and Bob, and their experiences during the years of the children's college education.

The curtain when first drawn, reveals Mrs. Stanley (Dixie Belle Snyder) dusting her deceased husband's reference books, in preparation for moving from the church parsonage. Mrs. Newcomb and Mrs. Peters (Katherine Frank and Mary Bernard) two diligent church members, "drop in," so to speak, to help the late pastor's wife and incidentally to get particulars as to where Mrs. Stanley is moving to and in what way she means to support her family.

Lucy and Bob (Martha Carol Schaffner and Billy Wagner) are Seniors in high school and wish to go to college but haven't the money. It is at this point in the story that Grandpa Sanborn, (Theodore Schaefer) arrives unexpectedly. Ted's characterization was that of a typical old man out for a good time, but unaccustomed to the "new fangled" things of the modern world. Grandpa, however, is one of those good hearted old persons and proves this by sending the twins to college and renting a house for Mrs. Stanley in the college town. The Stanley children continually criticize their mother for acting so young and so entirely below the position of a minister's widow.

The last scenes show the Stanleys in their new home and enjoying college life. They have many, many friends and everyone of them prefers to

come to the Stanley home than to go any other place. Lucy and Bob get a big shock when they discover that their mother has gotten the position of cataloging books at the college library. They finally realize that their mother is only 38. Mrs. Stanley's position brings her in contact with Mr. Giddings (William MacFarquhar) Professor of English at the college. Meanwhile Bob's friend, Sid Johnson (Walter Goshorn) becomes infatuated with Lucy, and Bob finds, or at least thinks so, his true love in Lucy's girl friend, Mary Hadley (Virginia McClure). Then perhaps the funniest scene is that in which Grandpa returns from a trip to "Noo York" and tells of his experiences "in the village." He "put up at the Waldorf Astory," "drove around in taxi cabs—got clocks on them an' every few seconds they ring up ten cents more, first few days I durned near ruined my health watchin' that blamed clock." He also saw the Midnight Frolics and went up in the Woolworth Tower. "Gosh, them elevators! When I got to the top I thought sartin sure I'd left my stummick down on the sidewalk." And so by these quotations we know that Grandpa had the time of his life.

He brings each of them a present from the city. A sweater for Bob, a beautiful fur coat for Mrs. Stanley and last but not least a lot of silk—shhh— for Lucy.

After the biggest football game of the year, we hear a group of the rooters approaching the house and when they enter, a general celebration is had. Then, seeing bonfires on the campus they all leave. Grandpa is left with Professor Giddings and Mrs. Stanley and he tells of his boyhood days. One begins to think that he'll never leave the two alone but at length Lucy calls him and we breath a sigh of relief and happiness when he leaves the house. Professor Giddings and Nellie, Only 38, are left in the dimly lighted room to plan for the future as the curtain falls on the last act.

Every role was played in the most efficient manner. Miss Snyder, taking the lead was a perfect mother and at no time did she fall down in her characterization, giving the others confidence in their rolls. Theodore Schaefer was at his best as Grandpa and through his lines the house was kept in an uproar. The twins, Lucy and Bob, were very well presented and were typical "loving" kin. Giddings as portrayed by William MacFarquhar was a very likeable college professor and Miss McClure and Walter Goshorn handled their parts with ease. The roles of college friends were played by Juanita Curren, John Findley, Robert Neuman, Martha Auld, Velma Resch, Isabel Monroe and Roger Montague.

WHITE COLLARS

The Juniors this year chose for their class play, "White Collars" by Edith Ellis. This comedy was presented on the 26th and 27th of January and was well received. The Juniors displayed excellent talent that not only

made this year's play a success, but will help toward the success of their Senior play. "White Collars" is another brilliant achievement in Mrs. L. E. Beck's field of direction.

"White Collars" is the story of a family of rather limited means. With them, lives Aunt Henrietta (Vivian Rigby) who, although quite intelligent was rather radical, tried to help run her brother's home. Mr. Thayer (Ralph Cornell) and Mrs. Thayer (Evelyn Rensch) were typical of a pair of elderly people who have always worked hard and sacrificed so that their children might have advantages that they never had. Robert Zinn played the role of William Van Luyn, a young billionaire business man who fell in love with his private secretary, Joan Thayer (Helen Laughbaum). They are married and after their honeymoon, because Joan is insistent, live at the Thayer home. Then the plot becomes complicated and we almost are afraid of the worst, when Sally Van Luyn (Norma Amann) cleverly untangled the whole affair. The part of Helen Thayer was well portrayed by Margaret Tracht. She was one of New York's flapper office girls, using all the latest slang and putting all her wages into clothes. Her best beau was Tom Gibney (Malcolm Switzer) the strongest and least educated man in the neighborhood. The hard-working son's role was most successfully played by Vaughn Volk.

Every part was played to perfection. Miss Laughbaum and Zinn played the roles of a young married couple most excellently and the show throughout was one grand success.

The Juniors are to be congratulated on their fine production and their Senior play will be watched for with interest.

THE WHITEHEADED BOY

After much deliberation, the Senior play committee selected "The Whiteheaded Boy" for the Senior Class presentation. This is a charming comedy in three acts, written by Lennox Robinson. The story is of a large Irish peasant family who are kept together, more or less against its will, by an illogical, absurd, generous, scheming, lovable mother.

Ernest Boyd in his introduction to "The Whiteheaded Boy" says, "The strength of this play undoubtedly lies in the perfect combination of form and content, and the natural, unstrained drollery of speech combined with a subject which develops realistically and logically yet whose humor is that of cumulative effect. There is not a deliberately manufactured phrase in it; not one situation that is forced and stagey, for the whole comedy arises out of the relations which inevitably establish themselves between the characters."

The cast has been well chosen and judging from the ability which was shown in "Only 38" the Senior play will be one which the class of '28 will be proud to have added to the list of successful dramatic productions given in G. H. S.

Social

SOCIAL

The social life of the High School comes to us as a happy diversion from the monotony of the daily grind and routine of lessons. "All work and no play makes Jack a dull boy." We would not be dull Jacks, so we must have our play.

We find the social life of a school, aside from the recreation and play derived from it is essential to bring about the great relationship between the school and the individual personal life of the pupils. Not only knowledge obtained from books is necessary in the school room but knowledge of social laws and social standards should be acquired as well and this can only be accomplished through social contact.

The morale of any organization is always raised during the process of preparation and the anticipation of some coming social event of a school provides each individual pupil an opportunity of appearing at their best. This spirit should be encouraged but to do so we should have more social events.

The highest achievement of the year in the social activities is the Jr. Sr. Reception.

THE JUNIOR SENIOR RECEPTION

The Class of '28 tried to make this the biggest and best reception ever and we are quite well convinced that their efforts were not in vain.

On the evening of May 24, as it was nearing six o'clock the members of the Junior and Senior classes met in the auditorium and soon proceeded to the gym. One recalls a vision of splendor that dazzled the eyes upon entering the transformed hall and the memory of it is treasured as one of the happiest experiences of the year. The Senior colors Old Rose and Gray predominated in the reproduction of a Southern garden in Spanish mode. Rambler roses, thousands of them, clung to the walls and latticed ceiling. An immense anchor awning at the west end of the gym formed a canopy over the stage from which the orchestra played. At the opposite end three archways led to a secluded nook in which a sparkling fountain played 'midst a bank of palms and ferns. The golden lights, soft music and the delicious banquet served by the Sophomore girls, attired in smocks of rose and gray, provided an excellent beginning of a perfect evening.

After the banquet the following toasts were enjoyed:

Our Guests	William MacFarquhar
Dollars and Sense	Mr. A. J. Monroe
Listening In	Prof. W. L. Swick
The Melting Pot	Miss Grace Weston
Vale	Franklin Craun

Then everyone went up to the auditorium where they were entertained by a program given by the Juniors.

Organ "Offertoire in D Minor" - - - Theodore Schaefer
Vocal "The Answer" - - - - - - Vera Hannewald
One act Play by Tooth Tarkington

STATION YYYY

Mrs. Winstead - - - - - - Dixie Belle Snyder
Mr. Winstead - - - - - - William MacFarquhar
Herbert - - - - - - - Billy Wagner
Anita - - - - - - - Martha Carol Schaffner
Caroline - - - - - - - - Juanita Curren
Roger - - - - - - - - Theodore Schaefer
The Maid - - - - - - - - Hazel Haynes
The Chauffeur - - - - - - - John Findley

At the close of the play the Juniors sang a farewell song to the Seniors, the words written by Katherine Frank and the music by Ted Schaefer. Dancing to the music of Jolly's orchestra was enjoyed until a late hour.

The chairmen of the committees who made the reception a success were:

Theodore Schaefer - - - - - - - Decorating
Velma Resch - - - - - - - - Banquet
Juanita Curren - - - - - - - - Program
Dixie Belle Snyder - - - - - - - Invitation
Ethel Arter - - - - - - - - Favor
Herman Hoard - - - - - - - - Music
Margaret Nichols - - - - - - - - Play

Our reception would not have been the success it was, however, without the help of our sponsor, Miss Mather. The class will always be very grateful to her.

SENIOR CLASS WEINER ROAST

Friday evening, October 28, the Senior Class had their first social affair of the year in the form of a weiner roast. Alas! it was a rainy evening. Nevertheless a few faithful followers went to Ness's grove to partake of hot dogs, buns, pickles and marshmallows. All present had a good time although it was a wet one.

SOPHOMORE WEINER ROAST

October the 29th, the Sophomores had their first class weiner roast at Erickson's grove. There were about twenty present who had a wonderful feast of hot dogs and all the other nice things that children enjoy.

JUNIOR WEINER ROAST

On the evening of October 29th, the Junior class had a weiner roast in Helen Newhouse's grove. There were about forty present and it is said the eats committee surely did their work. Everyone had a good time and the Juniors considered it a great success.

SPY STAFF PARTY

The Spy staff gathered at the home of the Editor-in-Chief for a Hallowe'en party on Wednesday night, October 25. All came masked and ready for a real jolly time. Everyone was recognized without much trouble.

We played cards until a late hour when it was found that Marty Schaffner had high score, and she was given the prize.

A lovely Hallowe'en luncheon was served and after singing some songs we left with a cheer for the Spy of 1928.

G. R. DANCE

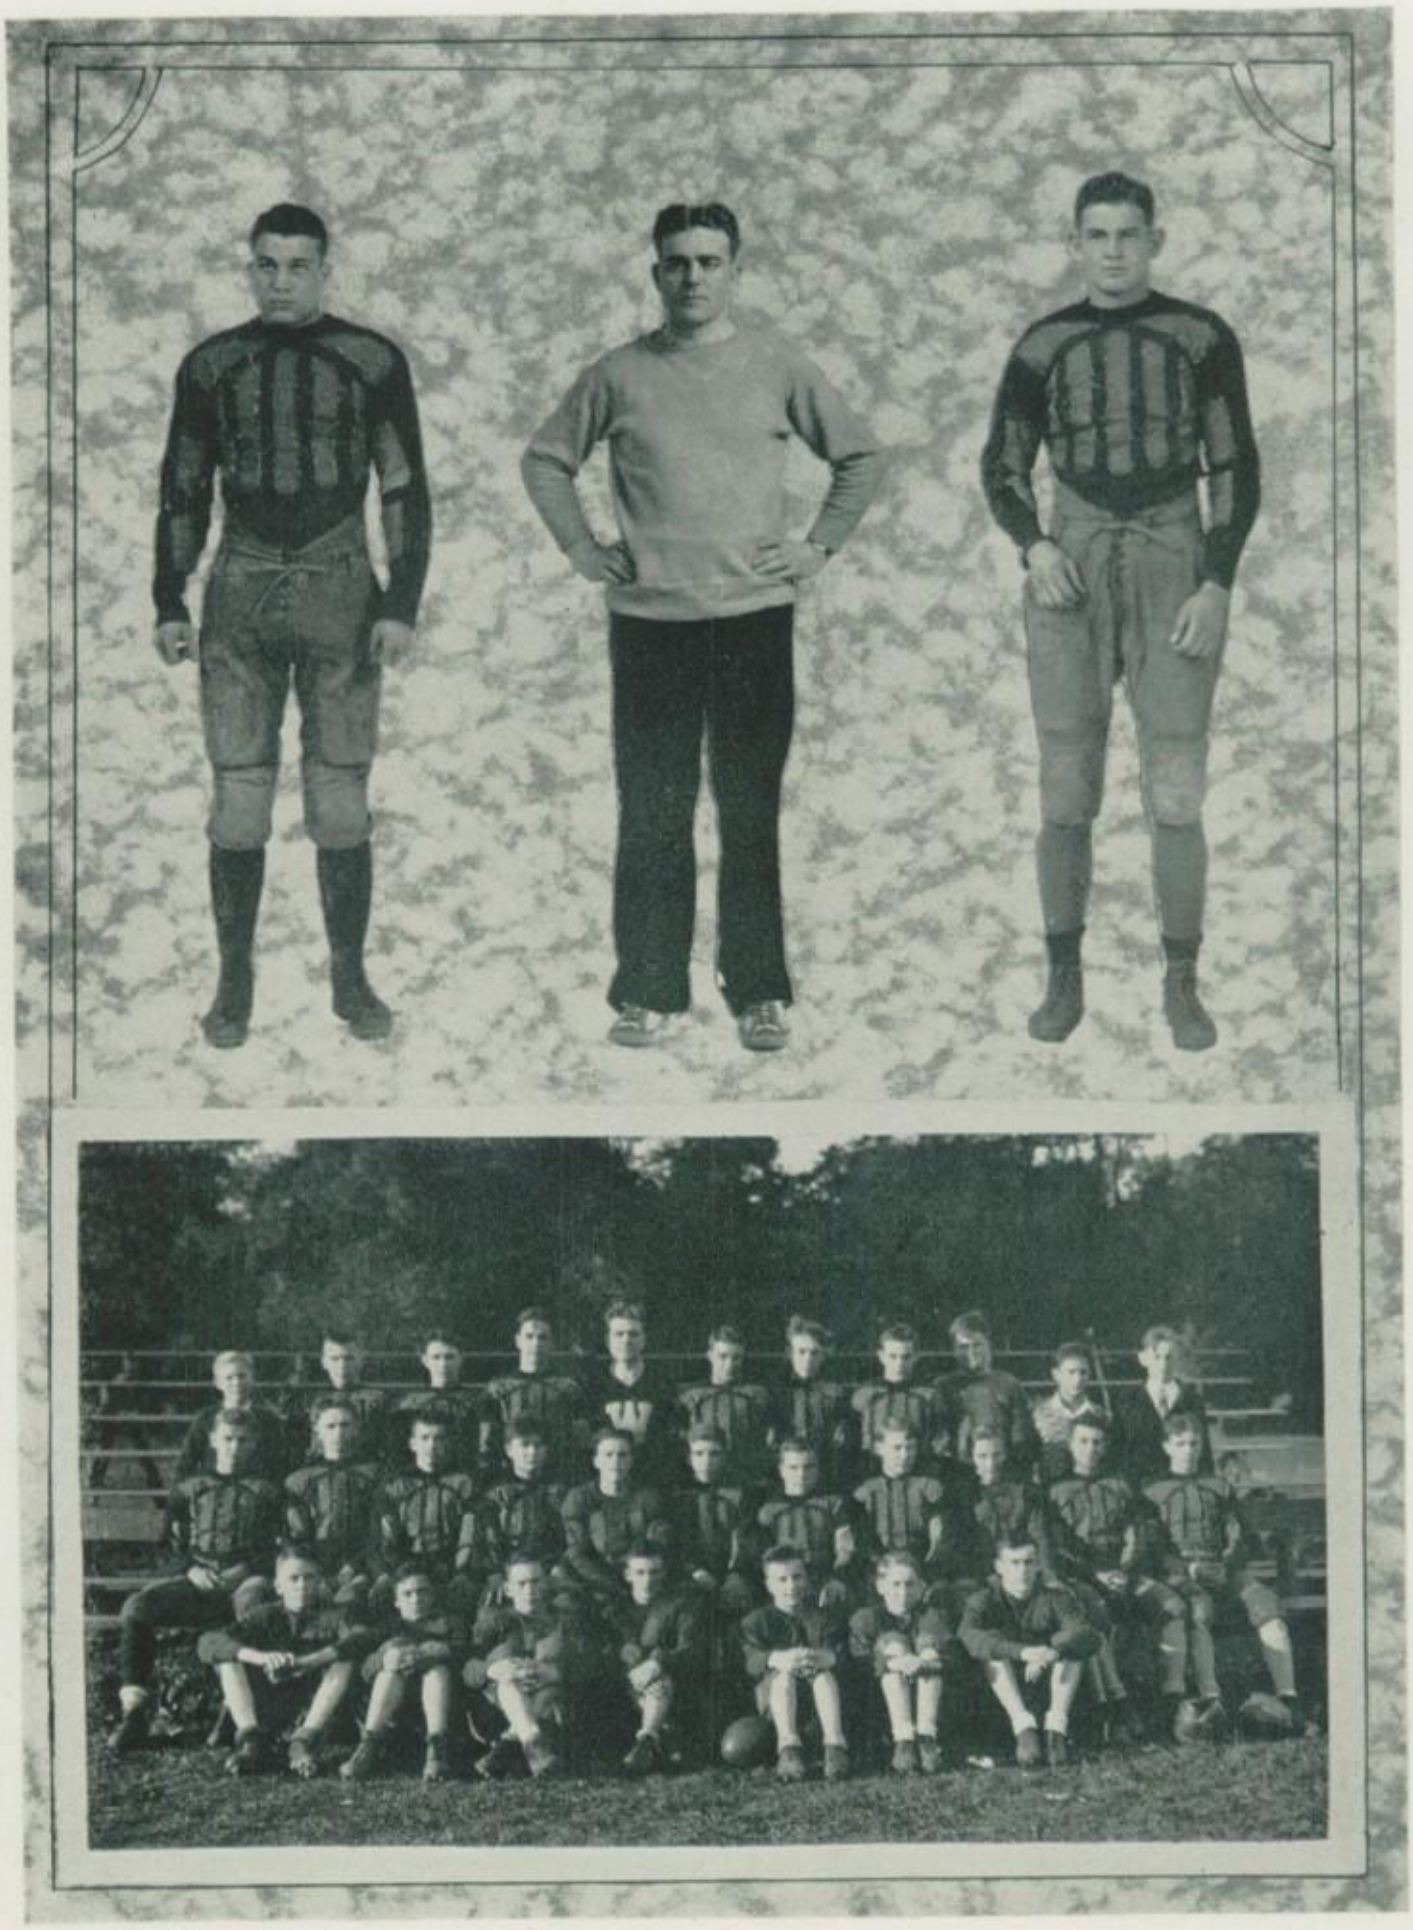
On Tuesday evening, February 21, the members of the Girl Reserve Club and their boy friends met in the gym for the annual G. R. Dance.

The gym was decorated with flags in keeping with George Washington's birthday. At one end of the gym tables were arranged for the playing of games. The orchestra was at the other end.

The sponsors, Miss Weston, Miss Mather, Mrs. Goshorn, Mrs. Monroe, Mrs. Sayre and Mrs. Schaffner, were there to receive the girls and their friends as they arrived.

Dancing was enjoyed until eleven o'clock when light refreshments were served. After which the guests departed for their homes.

ATHLETICS



Captain Kersh — Coach Eaton — Captain-Elect Zinn

Top Row: R. Heiby, M. Switzer, A. Robinson, W. Goshorn, F. A. Eaton, L. Kersh, J. Burnison, B. Kersh, H. Wilson, G. Callendar, F. Honness.

Middle Row: R. Zinn, E. Cass, M. Sperry, A. Zaebst, H. Zucker, M. Phipps, P. Mackey, G. McClure, E. Hockstraw, R. Cohen, C. Campbell.

Bottom Row: H. Smith, R. Woodall, C. Coyle, R. Shupp, D. Young, D. Winetrout, J. Callendar.

FOOTBALL

Galion—19 Crestline—0

This game opened the G. H. S. football season with our rival, Crestline. This was a conditioning game for the Orangemen, as the next game was a league game with Ashland. No spectacular playing was shown by either team but Galion won easily.

Galion—7 Ashland—13

The Orangemen journeyed to Ashland for their first league game and lost 13-7. It was hard fought from start to finish but Ashland got a lucky break near the end of the game and pulled through with a victory.

Galion—0 Marion—13

In Galion's second league game, they played host to Marion who played the Orangemen in a sea of mud. Many fumbles and bad breaks prevented Galion from scoring several times and the big Harding team plowed through to a 13-0 win. This game being Harding's second win over Galion through a period of eight years.

Galion—7 Mansfield—32

In Galion's third league game, they lost to the big, heavy, experienced Mansfield team. Although the Orangemen outplayed the Red and White at different times, they were unable to cross the goal line successfully and Mansfield went home with a victory.

Galion—0 Shelby—15

Galion lost their fourth league game to Shelby who proved to be the champions of the N. C. O. league. Unable to cope with a dazzling passing attack by Shelby, spelled Galion's defeat.

On October 29, Galion High School's squad was entitled to rest. They were taken to Ohio State to watch them play Chicago. It was a real game and the team took home some more experiences. All had a good time along with the learning.

Galion—26 Delaware—8

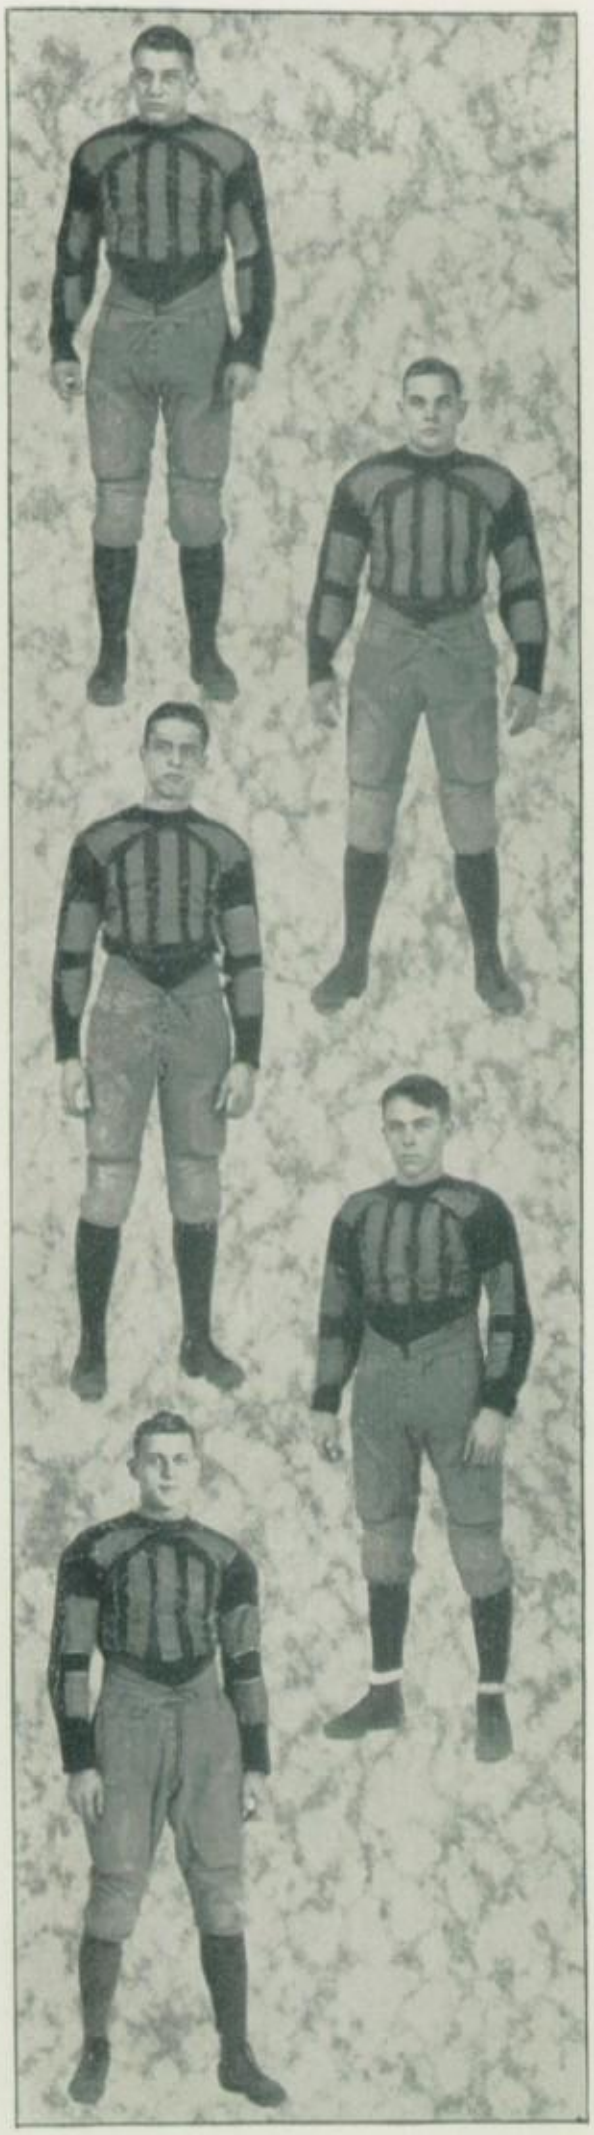
Traveling to Delaware to meet the strong Orange and Black team on Edwards field, the Orangemen cracked their losing streak with a brilliant win over Delaware, bringing home the bacon.

Galion—24 Mt. Gilead—0

With a victory over Delaware in their minds the Orangemen traveled to Mt. Gilead and administered them a sound drubbing 24-0. Practically every Orangeman got in the game so as to be prepared for our next game with our old rival Bucyrus.

Galion—12 Bucyrus—13

The game many fans were looking forward to came at last when the Orangemen played the Red and White of Bucyrus on Heise Athletic Field. Galion started out with a rush and when the first half ended, Galion was leading 6 to 0 by virtue of a touchdown in the first quarter. B. H. S. came back to score the third quarter which ended Bucyrus 7, Galion 6. Fighting hard the last quarter Galion put over another touchdown but failed to add the extra point. In the last few minutes of play, Bucyrus recovered the ball close to their goal and scored a touchdown which defeated Galion 13-12. This was a case where the best team did not win and can be remembered as a clean, hard fought game all the way through.



DeWIGHT KERSH, Capt., R. H.

Little Kersh, our brilliant captain, will be lost by graduation, his loss will be keenly felt as he was a good open field runner, hard blocker and tackler; 'Stud' kept up the old fight every minute of the game.

DeWITT KERSH, L. H.

Big Kersh the best passer and open field runner Galion had will be lost by graduation. Being very shifty and light on his feet, he deceived many a tackler, we owe Big Kersh for much of Galion's success during his four years on the team.

W. GOSHORN, F. B.

Walter was a fine punter and blocker. He out distanced every opposing kicker on the teams that Galion played during his two years on the varsity. Walter also graduates this year.

J. BURNISON, Q. B.

Johnnie was O. K. as a quarterback. He was a cool, crafty, brainy field general, many times sneaking through for long gains. Johnnie graduates this year.

R. COHEN, L. T.

"Ikey" one of the best linemen Galion ever had will graduate this spring. Ikey was in there fighting and mussing up the opponent's plays every minute of the game.

C. CAMPBELL, L. E.

This was Campbell's first year on the varsity and he sure showed his wares as an end on the team. Clyde graduates this year and his position will be hard to fill next fall.

C. COYLE, Q. B.

Although a second stringer quarterback Chuck had the stuff and was always ready for action; Chuck graduates this year.

A. ROBINSON, F. B.

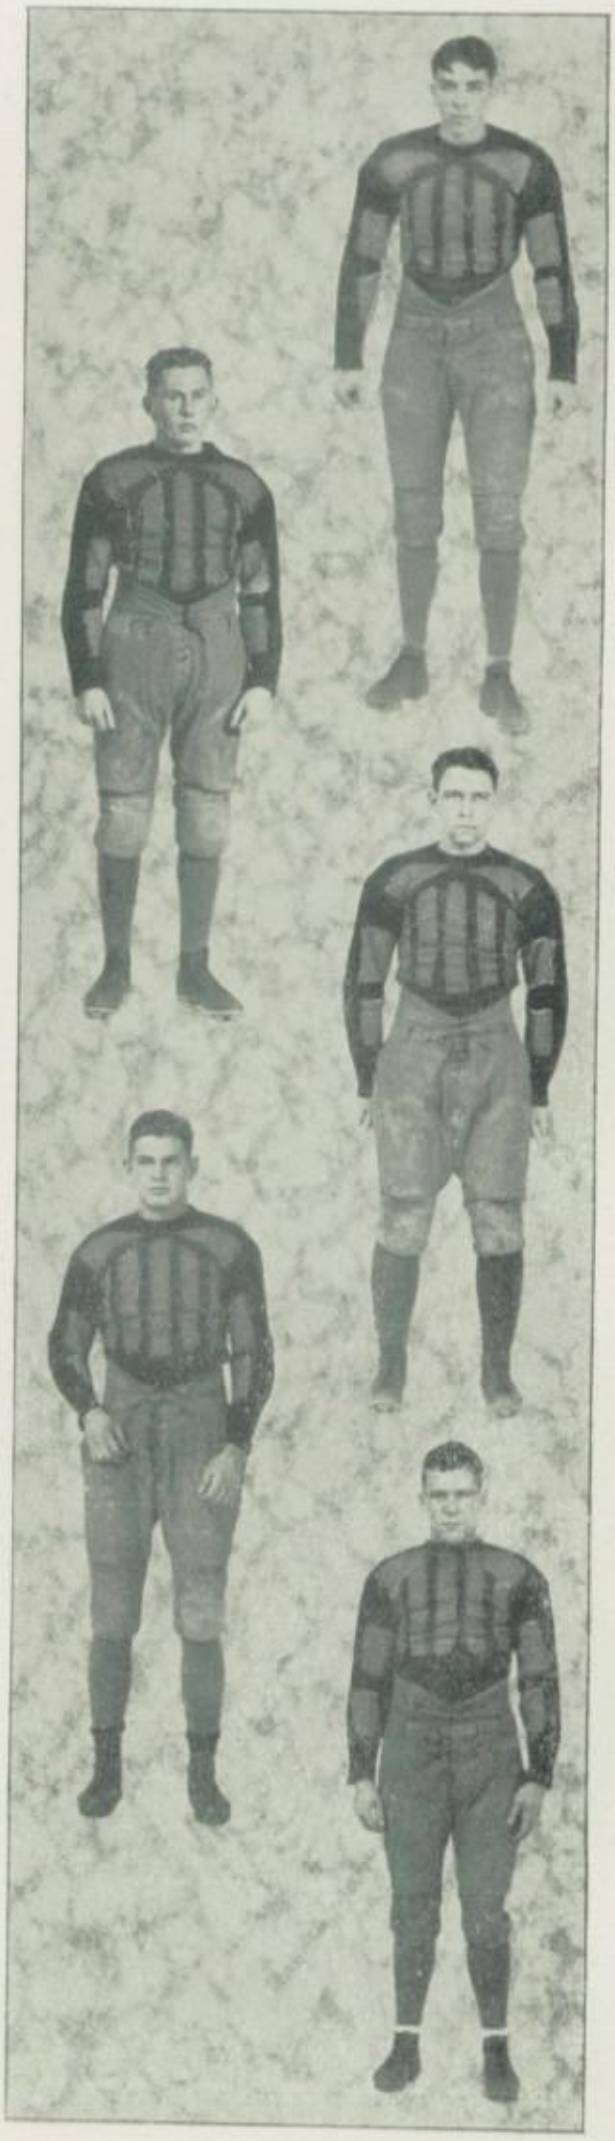
"Art" is a Senior this year and when they try to fill his place at Fullback next fall they will have a hard job. Art was an all around player.

R. ZINN, R. E.

"Bob" is one of the best ends ever put out by Galion Hi. He was continually feared by the opposing teams and they never gained around his end. "Bob" will be back next year and much can be expected of him.

M. SWITZER, R. H.

This being "Mal's" first year on the varsity he showed up well in the blocking and kicking department of the game. "Mal" ought to hold a regular position as halfback next year.



M. McCLURE, L. G.

This was "Mickey's" third year on the varsity and we will be glad that Mickey will be back next year. He was one of Galion's best linemen.

M. PHIPPS, C.

Max was a good center, he could always be found blocking plays and fighting hard all the time. He will be back next year to strut his stuff.

H. ZUCKER, C.

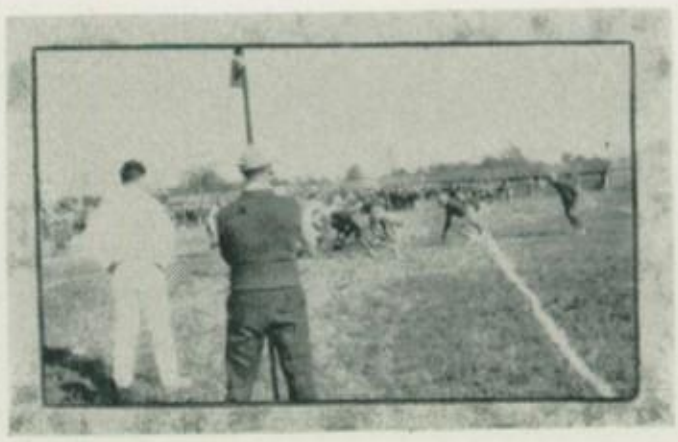
Although being small for a football player Zucker could hold his own against the best of teams. Zucker will be back fighting hard next year.

E. CASS, R. T.

Cass was another of Galion's regular linemen, his spirit and fight were always at their best. We are glad to have him back next season.

P. MACKEY, R. G.

This is the second year on the varsity for "Bus". He is a real player beyond a doubt and much can be expected of him his last two years.



A. ZAEBST, L. G.

"Blubber" was Galion's tower of strength on the line. He will have two more seasons to do his stuff for the Orange and Blue.

E. HOCKSTRA, L. T.

Being only a Freshman "Eddie" showed up good. He will have three more years on the varsity and much can be expected from him.

F. HONNESS, Mgr.

When it comes to managers "Fritz" was O. K. He saw that all the equipment was in good shape and he worked hard having the athletic field ready for the games; Fritz is only a Sophomore.

R. HEIBY, Asst. Mgr.

Although being assistant manager "Bob" had a hard job. Too much credit can not be given the managers. Bob is a Sophomore and he will have two more years. Good luck.

It is not more than right to give honorable mention to the players who were out practicing and training hard all season but who failed to earn letters. Largely upon these fellows depends the success of the athletic teams. They are: Sperry, Schupp, Young, Wilson, Winetrout, J. Callendar, Streeter, Ireland, Woodall, Dickerson, Hartwell.

Captain Campbell Coach Eaton Captain-Elect Callendar
Top Row: R. Davis, R. Zinn, F. A. Eaton, H. Bodley, W. Schleebaker, A. Zaebst.

Bottom Row: G. Callendar, R. Mollenkopf, R. Cornell, J. Sames, K. Winetrout.

BOYS BASKETBALL

G. H. S. boys were very lucky in getting to play their first game out of town, at Crestline. The C. H. S. boys were of no equal to our boys and Galion won 25 to 23.

Nevada was the next team to meet with a defeat by G. H. S. on December 29th. We won, the score being more than double that of Nevada. Galion 61. Nevada 17.

Columbus East journeyed to our city and carried off the highest side of the score. Galion 25. Columbus East 32.

The next game was with Shelby on January 6, and it was the hardest game that was played this year. The game was 20-20 at the time the final whistle blew. A three minute overtime period was played and Shelby slapped in two buckets from the center of the floor winning 24-20.

Galion took their first trip of the season to Sandusky on January 7. Galion put up a good fight but lost. Sandusky 22. Galion 14.

January 13, the first game with Bucyrus was played and unfortunately it was not a league game. Thrills upon thrills were added by the boys, which sure gave the spectators a good game. We won from Bucyrus for the first time in three years. The score being, 20-19, Galion.

January 20, Ashland and Galion played next. Galion outplayed Ashland in the last half, making 16 points to Ashland's 10 but the game ended, Galion 23. Ashland 25.

January 21, Crestline visited Galion on a Saturday night, to try and win from us. But that was impossible. Galion won by a small score, 23-17.

February 3, Marion played at Galion. The first half ended in a score of 4-19, Marion. The last half Galion trailed Marion by a few points and the game ended 21 to 16, Marion.

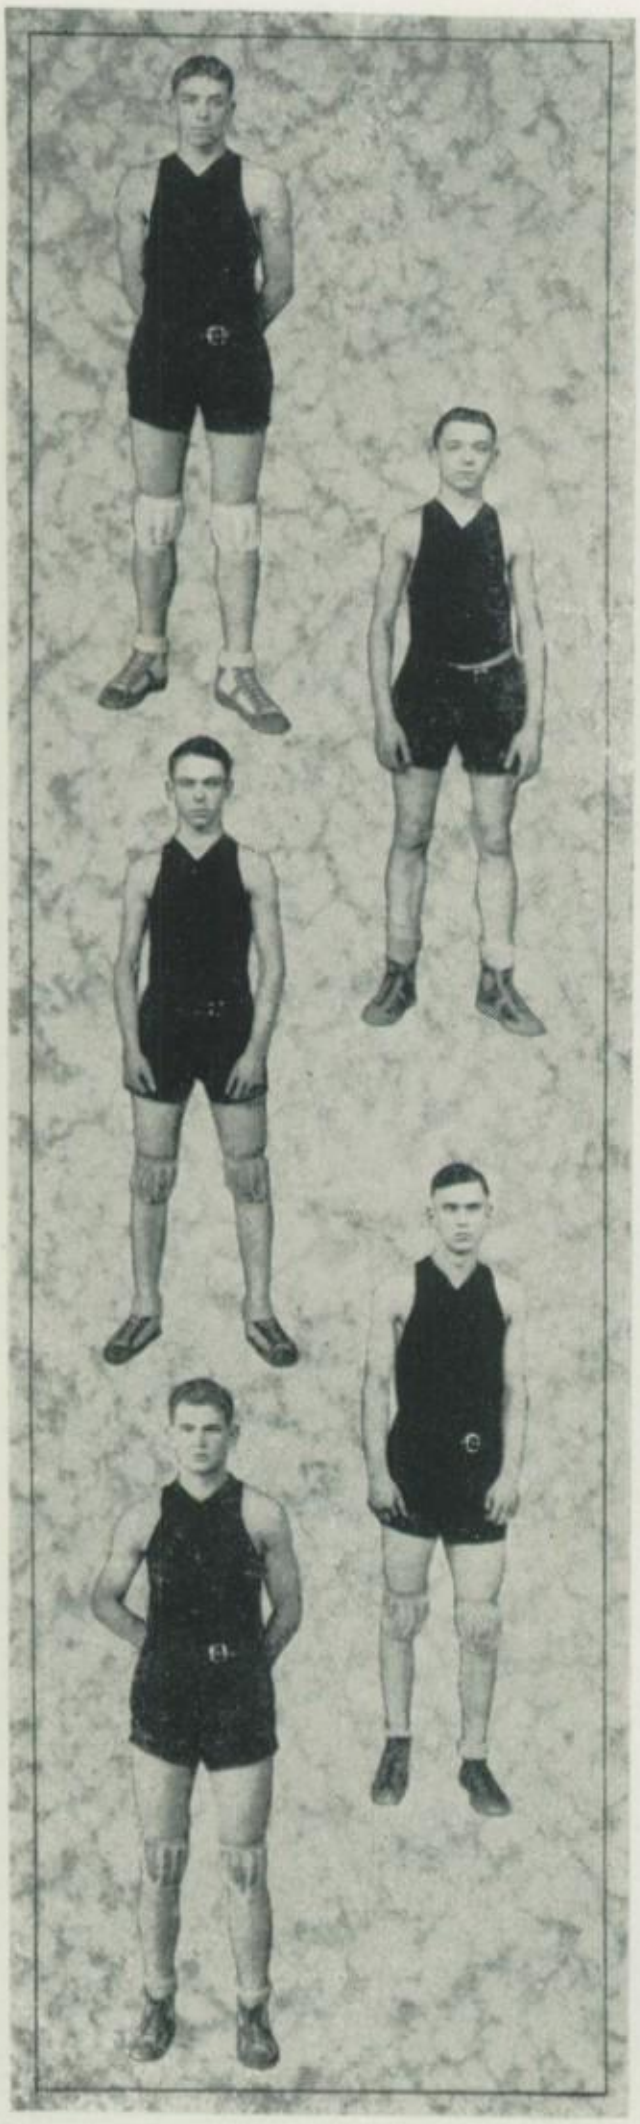
February 10, Galion journeyed to Mansfield. The game was full of excitement and at times it seemed as though Galion would win, but not being used to the floor, they lost by a score of 30 to 22.

February 17, Galion played Delaware at home and the game was very fast and exciting. Delaware won, the score, 20 to 25.

On February 24, our last and most important game was played at Bucyrus. The team was slow in getting started and Bucyrus held a big lead at the half, which ended 20 to 8. Galion clearly outplayed them in the third quarter and came within one point of tying them before the Redmen woke up and scored several baskets, winning the game. Galion 28. Bucyrus 35.

March 9, the Alumni game was the closing game of the season. Both teams fought hard until the final whistle and in the last minute of play, Sawyer was injured. Galion won after a three minute overtime. Galion 50. Alumni 46.

March 2nd, the Orangemen went to the tournament which was held at Mansfield High School. Galion drew Tiffin and lost by a small score of 21 to 15, including a three minute overtime period. They were about the most evenly matched teams that played. Fremont and Fostoria played the finals and Fremont won the championship.



CLYDE CAMPBELL

"Buddy" Center

Buddy played a game that was hard to beat. He was both fast and aggressive, and was a good shot while making baskets. Although in Galion for only two years, he has shown them a good example of basketball playing. We are very sorry to lose him this year.

EDWARD SAWYER

"Eddie" Forward

When it came to making baskets, Eddie could not be beat. His ability in passing and his fine floor work won him a place on the varsity. Eddie is a Senior and will be sorely missed next year.

JOHN BURNISON

"Burny" Guard

He is also a Senior. He was a real guard and never gave up, but played until the final whistle blew. He has the "never say die" spirit. He has played his last game with the Orangemen.

JACK CALLENDAR

"Jack" Forward

He was always a fine running mate for Eddie. His side-stepping and reverse turns sure would fool his opponents. Jack has been elected Captain for next year and great things are expected of him.

ROBERT ZINN

"Zinny" Guard

He has been playing with G. H. S. for two years and will be a valuable man next year. Zinn is a hard player and has lots of courage and fight. He has made many friends among his opponents.

ROBERT DAVIS

"Bob" Forward

This is his first year out and he has been one of Galion's best fighters. He will be back next year to give to the school the best in him. Good luck, Davis.

ROBERT SCHUPP

"Shuppy" Forward

He is a good man on the court and had a good eye for the basket and is an accurate passer. He is only a Junior and has shown the coach that he is very aggressive and will be back next year to give G. H. S. all that he has.

PAUL MACKEY

"Humpty" Guard

His ability to play guard won him a place on the team. He showed us that it is not always the big fellows that do the most work. Paul is a Sophomore and has two more years ahead of him.

KENNETH WINETROUT

"Ken" Mgr.

"Ken" was very dependable and could always be found when work was to be done. He is only a Sophomore, but has a royal spirit.

JEAN CALLENDER

Trainer

Jean was very good at rubbing the fellows down. He was always ready to give the team the best of service. He will be back again next year.

Others who deserve mention are: Cornell, Schleenbaker, Zaebst, Mollenkopp, and H. Bodley.

Top Row: M. Fink, I. Foltz, N. Amann, H. Newhouse, Z. Marsh.
Middle Row: V. Staton, D Newman, E. Riter, A. Ferguson, G. Quinn, M. Cutshall.
Bottom Row: M. Campbell, H. Laughbaum, R. McClure, A. Seckle.

GIRLS BASKETBALL PERSONALS

Coach Zilpha Marsh. She has a way of establishing fight into the team and is always ready to do her bit. It was through her untiring efforts that the girls were able to go into a game with the "old fight." The Seniors wish her the best of success in her future years of basketball coaching.

Captain Anabel Ferguson. "Fergy" plays Center Guard and always plays a game far more superior than that of her opponents. They had a hard time scoring through her, and she has been one of Galion High's most steady players. She is a Senior and will be sorely missed next year.

Marjorie Cutshall. "Cutch", Guard. She was elected Captain in her Junior year, and has shown great form in playing basketball. She plays a game that is just a little better than her opponents. We will lose her through graduation.

Geraldine Quinn. "Quinny", Guard. She played a game of basketball that is hard to beat. She is a running mate to Ferguson and Cutshall. She is a Senior and it will be hard to find a guard to fill her position. Quinny was a problem for any forward.

Esther Riter. "Eddy", Forward. She surely could play her position with great skill. She gives her opponents no time for worry, as she was always on the go, making a large amount of the baskets. She is a Senior, and we are sorry that she can not be with us another year.

Dorothy Newman. "Dortha", Forward who plays basketball with such skill and swiftness that won her a place on the team. At making baskets, she has no equal. She is another Senior and will be among the missing next year.

Virginia Staton. "Ginger", Center Forward. This is Ginger's first year in G.H.S. Her ability to jump won her a place on the varsity. She will be among the outgoing Seniors this year.

Ruth McClure. "Ruthy", Forward. As a forward, she is hard to beat. She plays the game with everything that she can give. Ruth had an accurate eye for the basket, much to the distress of the opposing team. She is a Junior and will be back next year to give the best she has.

Norma Amann. "NoNo", Forward. She is a Junior and will be back next year to give her best. Her fine floor work and aggressiveness will win her a place on the team. Good luck, NoNo.

Helen Laughbaum. "Kitty", Forward. She has the ability of a player but her late hours were a great hindrance. Helen made her "G". Although only a Junior, she will be back next year and give her best to G. H. S.

Mabel Campbell, Guard. She was always on her toes and knew how to handle the ball. As a good passer and a steady player, she could not be beat. We are sorry we have to lose her this year.

Isabelle Foltz. "Izzy", Guard. Izzy has a very steady player, her ability as guard is far outspoken by her playing. She likewise is a Senior and will be greatly missed.

Helen Newhouse. "Nunny", Guard. Teamwork was a keynote of Helen's playing. She is a Junior and great things are expected of her next year. This is her second year out and it speaks well for her.

There are always others who help make the team, the team it is. Those happen to be the sub. They are out all season, taking the dirt that the varsity makes for them. The following receive honorable mention: A. Seckel, R. Morkel, A. Macadams, M. Dabney, H. Fellenbaum, L. Knisely, L. Shumaker, M. Weber, P. Booth, L. Laughbaum, P. Mackey, M. Fields, L. Franks, R. Jeter, M. Findley, V. Resch, L. Clements, and U. Gillmore.

Mae Belle Fink, Mgr. "Finky" sure had a lot of work to do. The manager with her faithful service has given to G. H. S. all that one could really give. She is a Senior and her place will be hard to fill next year.

GIRLS BASKETBALL

On the eve of December 16th, the Galion Girls, after a few weeks of hard practice, were put on trial to show their skill in making baskets. Crestline also put a good team on the floor and made it hard for the G. H. S. girls to win. But we won. Galion 19. Crestline 13.

The Alumni came second on December 28, and the G. H. S. girls sure showed the ex-Seniors how to play basketball. Galion 16. Alumni 14.

Galion was visited by the Shelby girls on January 6. Galion won by a large margin. Galion 31. Shelby 15.

Galion next played Bucyrus on January 13th, at the Galion Jr. Hi. and lost for the first time this season. The score was close throughout the game. Although Galion played good basketball, they were unable to get a victory. Galion 11. Bucyrus 19.

On January 20th, the G. H. S. girls went to Norwalk and showed them that even small towns have good teams. The score: Galion 16. Norwalk 17.

January 27, Galion went to Shelby. They gave their opponents no time for worry as the game was close throughout. The score being, Galion 14. Shelby 12. The second team played Edison on the same evening. The score being 27 to 10, favor of Edison.

February 3, Galion played Kenton here. Both teams played hard and fast. Galion was unable to make all of their shots good and although they put up a hard fight, lost by a small score. Galion 19. Kenton 21.

Galion High played Mansfield Y. W. C. A. on February 11 at Mansfield. In the latter part of the third quarter, Cutshall was injured and replaced by H. Newhouse who filled the position in great form. This was Galion's first injury of the season. Galion won, 40 to 27.

February 17, Galion played Norwalk for the second time this season. At the end of the first half, Galion was losing by a score of 4 to 13. The last half was very exciting and the score was 19-19 at the end of the game. The tie was not played off, as in girls rules, this is not permissable.

On February 24th, the Galion Hi girls trolleyed to Bucyrus where they played their second game with our ancient rivals. The Orangemaids fell at the hands of the Bucktown Reds to the tune of 28-22.

The girls have played their last game for G. H. S. and have turned in their suits, the Seniors never to put them on again. As the Captain with the seven other Seniors departed from the dressing room, a good word of cheer was heard now and then from a Junior or a Sophomore. The girls had a successful season, winning five games, tying one, and losing four. We give the almighty Seniors a hearty send off and lots of Good Luck.

ALUMNI

ALUMNI

We have endeavored to offer a complete Alumni section and we wish to thank those who helped us in making it up. If there are any errors they will be gladly corrected next year if you will write to the Alumni Editor, 1929 Spy, Galion, Ohio.

In looking over the records of Galion High Alumni we were proud to see the paths so many have followed. Over the whole world former students of Galion High School are scattered. Thinking it would be of interest to those who still live on home soil, we wrote to the residents of foreign counties, asking them for contributions to our annual. As the annual goes to press we are sorry we have not yet heard from all of them. We received a reply from Lieut. F. W. Biehl of Tientsin, China, and with pleasure we present this wonderful message to you.

---

25 February, 1928.

To the Class of 1928, Galion High School:

Your Alumni Editor's letter dated 20 January was received by me 22 February. The fact that it took the letter about thirty-two days to reach me, suggests to you that I must be somewhere on the opposite side of the earth. And so I am—I am writing from China.

Eleven years ago! What a fascinating, panoramic recollection carried me back through the eleven years since my own passing for the last time through the portals of Galion High School! Thanks to Mr. Wagner's unexpected letter.

Many unexpected things have happened to me. I am always meeting fascinating people wherever I may be located. And from them I learn the most interesting things about Life. Perhaps I find them because I am always wanting to meet people whose experiences have been different from mine. In order to meet properly the Unexpected, I have learned that one must be fearless, adventurous, and forever dare to think independently on all matters.

I am only about ten years ahead of you on the road called physical life. That is not very far. I am going to send back to you, so to speak, the essence of what I observe from my present point of view. While in Haiti, several years ago, I learned: It all depends upon one's point of view. While in China, now, I perceive even more clearly what I learned then in Haiti.

Every one is in search of Happiness. Each one, in his or her own way, is trying to find Happiness. There are as many ways as there are people, since each, in himself, is the way. One of the hardest things to learn is that each individual does look upon Life from a different point of view.

Because the majority of people soon lose their youthful enthusiasm

and abuse their precious physical bodies they experience only the husks, only the shadows of Real Happiness. In a word, they have become indifferent to Truth.

A great Teacher once told his listeners that they must know the Truth if they desired to be free.

To that principle, I would add another: you must be Free, if you desire Real Happiness. For, I have learned that the measure of my Happiness is the measure of my freedom from the Illusion of Matter, generated by the impermanent, petty things incidental to my environment.

The environments of Human Life are many, but the Illusion is one. Therefore, by and through knowledge of yourself, overcome the Illusion where you are. For within yourself abides the Light, the Star, that shall lead you into the Kingdom of Happiness.

Still I can hear these encouraging words echoing from the Chapel exercises attended by the Class of 1917, "Seek and you shall find; ask and you shall receive; knock and it shall be opened unto you." They have become a part of me. Their influence upon me, knowing as I do the beautiful reality upon which they are based, impels me to write to you.

Go forth, keen members of the Younger Generations; go forth cheerfully into the world, and fearlessly greet the Unknown with an open mind and a pure heart. Then shall the wisdom and beauty of life in its magnificent simplicity be revealed unto you.

With all good wishes,

F. W. B.

CLASS PROPHECY

One Friday about the middle of the year, we had a very important class meeting, and at this meeting, our president introduced to us Mr. Raj Kumai, a renowned Crystal Gazer, of Bombay, India. Mr. Kamar carried with him a large black box, which he handled very carefully. Upon being introduced, he looked at us all critically, which, I must admit, rather frightened a few of the so-called "dignified" Seniors.

At length, he commenced to talk, telling us that the large black box he had, contained a crystal, and with this crystal, he would tell our fortunes. A faith sound of protest arose at this, because it seemed, the Seniors weren't so anxious to know about their future lives, but Mr. Kumar hastened to say that he wouldn't tell everything, only what we would do as a life work, so we were put at ease again. Most of us were anxious to know what the future holds for us in that respect, so we went up, one at a time, and Mr. Kumar told us what we would do.

The first one to be told what they would do was Helen Allenbaugh. He told her she would be successful as an office worker; that she would become the private secretary of the president of a great manufacturing company in Cleveland.

Next was Ethel Arter. Her future seemed to be rather hazy, according to the crystal, but it was certain that she would go to college—Otterbein.

After that came Martha Auld. For Martha, Mr. Kumar prophecied a great future as a dietician in a sanitarium in New York.

Hazel Baldinger was promised success as a missionary in the South Sea Islands.

Mary Bernard is to be Superintendent of the Good Samaritan Hospital, after she completes her training course at St. John's hospital, Cleveland.

Things look good for Louise Brenenstul. She is going to take up secretarial work. Although it is not certain, she may some day be secretary to the President of the United States.

John Burnison is going to Heidelberg College, where he will be famous as a football player.

Bernice Castle will be successful as an office worker.

Mabel Campbell is also to join the corps of nurses.

Ralph Cohen will go to O. S. U. where he will enter Engineering School. He will be a famed bridge builder in South America.

Mr. Kumar told Mary Jeannette Conaway that she would work in an office for a while and then get married. Best wishes, Mary Jeannette.

Charles Coyle will be a famous draftsman in a few years.

Clyde Campbell will be all-star center on the Empire basketball team of New York, while Charles Cunningham has the promise of being a famous taxi driver in Chicago.

It was very interesting to the members of the class to know what their Classmates are going to do in the future, and Mr. Kumar had the best attention of everyone there. He told Juanita Curren that as a school teacher of the sixth grade in the Galion Public Schools, she would be the most popular teacher in town. Marjorie Cutshall, of course, will follow up

her high school athletic career by coaching a famous girls' basketball team of Quebec, Canada.

John Dapper is to be the successful proprietor of a garden nursery in Florida.

Robert Dickerson will conduct a thriving automobile repair shop in Bloomingrove.

Lloyd Durtschi will meet success as floorwalker in one of the largest department stores of Crestline.

Another nurse-elect in our midst—Anabel Ferguson.

John Findley will of course, finish his already started career at the Iron Works. He may, if he works hard enough, be president of the concern, sometime.

The one author out of our class, will be Mae Belle Fink. However, she will be a famed librarian, before she starts out on her career of writing.

Isabelle Foltz will go to Bryn Mawr.

Katherine Frank will be a competent court reporter, taking everything that is said in shorthand. She will be very prominent in the case of Ruth Hoard vs. Herman Hoard, in divorce court of which William MacFarquhar will be the attorney for the defendant. The defendant will win, because of the attorney. He likes to talk.

Theodore Freeman is to be the foreman of machinists at the Galion Iron Works.

Two more teachers in our class—Vesta Garverick and Eleanor Stevens. Vesta will teach Latin in Mansfield, while Eleanor will be instructor of Geometry in Bucyrus.

Another engineer with us—Walter Goshorn. We don't know if he'll run a train or build bridges!

Vera Hannewald will settle down to married life very soon after she's out of school. She'll raise "flowers", as a side issue.

Vaughn Harding was scared to death to have his fortune told, but he's going to take a mechanical course at Northwestern University.

Chester Hampton will be a successful and prominent traveling salesman for Sears Roebuck & Company.

Our own local songster, Herman Hoard, better known as "Porky" will join the Metropolitan Opera Company. We may even hear him over the radio some day.

Still another teacher—Mary Catherine Horn. We know Mary Catherine will be well-liked.

"Little Kersh, a star athlete of G. H. S. will be boys' Athletic Coach of an eastern high school, while his twin, "Big" Kersh will be a dentist, after a course of study at Ohio State.

Fate has decided that Elmo Koschnick should be an electrician.

Art Lindley, the able artist for the "Spy" will prove his ability when he becomes a famed commercial artist. Virginia Lowmiller will be his private secretary. Another Virginia to be a stenographer is Virginia McClure, popularly known as "Jinks".

George Marshall, will be famous as the joke editor of "The Literary Digest.

Roger Montague will represent the Class of 1928 in the spiritual side of life. He will be a world-known minister and evangelist.

Another who will join the teaching staff of the G. P. S. That is Isabel Monroe. She is going to teach in the primary grades, so maybe she'll be bigger than the pupils.

Velma Myers will be a very successful interior decorator, assisting

Floyd Myers as stage manager in a magnificent theater in New York. They will have entire charge of the stage scenery in this theater.

Dorothy Newman will take up Commercial work. After a strenuous course in a Fort Wayne, Indiana, business college, she will become an accountant with Ernst & Ernst of Cleveland.

Robert Neuman will go to O. S. U. where he will study Accounting. Later, he will become President of the First National Bank of Leesville.

The ever-smiling Margaret Nickols will become a Missionary. She never expects to marry, either.

A barber among us—Elmer Phillips. He will open the Angora Barber Shoppe at Shelby Junction.

Geraldine Quinn is to be a dietician. Her work will be under the direct supervision of Mary Bernard, at the Good Samaritan.

A very efficient stenographer will be Velma Resch, sometimes known as "Happy". We're sure she is.

We wouldn't expect "Eddy" Riter to be anything but a girl's athletic instructor. Well, that's what she's going to be!

Mintie Rizor will go to Mansfield Business College, but what she'll do after that is very uncertain. Her brother, Ira, will become a mail clerk, having direct charge of all air mail.

Arthur Robinson will go to Ohio State, after that becoming a prominent public speaker.

Still another Nurse in our class—this time its Harriet Raiser.

Evelyn Sawyer will go to Otterbein College, where she will take up Sociology and Economics, later becoming a Social Welfare Worker.

Eddie Sawyer is going to Heidelberg College, but after that--what? Nobody knows, not even Mr. Kumar.

Of course Martha Carol Schaffner will go to college. She will take up Journalism, becoming editor of the Ladies Home Journal.

Theodore Schaefer will naturally study music. He will go to American and European Universities to pursue this subject.

Robert Sears will be the famous maker of French Pastry in a shop all his own in Detroit. Ruth Shoffner will be his office girl, filling all mail orders.

Very prominent in radio research work will be Harold Sharrock. He will be the inventor of a device to stop static forever.

Dorothy Smith will continue in commercial work. She will become the business manager of Martha Carol Schaffner's publications.

Dixie Belle Snyder is to be the most famous actress of all time. However, in private life she will be a Mrs.

In the future, address all of Mary Sperrys mail to the Childrens Home of Cleveland, because she will be the Matron there.

Miriam and Ruth Tracht are going to start an office of their own. They will be public typists.

William Wagner will study engineering at Case.

Delmont Riblet will become a famous detective in the city of West Point. He will solve many, many crime cases.

Virginia Staton will be the manager of a tea shop in Cleveland.

Suddenly the bell rang and it was time for us to go to our third period classes—not to study but to think and dream about what Mr. Kumar had told us. Not many of us seemed to really believe what he said, but only Time will tell.

FEATURE

CLASS WILL

I, Helen Allenbaugh bequeath my smile to Geraldine Spiggle.

I, Ethel Arter bequeath my good grades to Bob Bianchi.

I, Martha Auld bequeath my pleasing personality to Lucille Clements.

I, Hazel Baldinger bequeath my fairy-like form to Pete Booth.

I, Mary Bernard bequeath my light weight to Leorna Hulz.

I, Louise Brenenstal bequeath my bicycle to Gertrude Stevens.

I, Bernice Castle bequeath my thoughtfulness to Margaret Fields.

I, Mabel Campbell bequeath my dignity to Victoria Sherer.

I, Clyde Campbell bequeath my 41 talent to Eugene Cass.

I, Ralph Cohen bequeath my nickname to Harold Zucker.

I, Mary Conoway bequeath my Romeo to Genevieve Sloan.

I, Charles Coyle bequeath my short hair cut to Gilbert Herr.

I, Charles Cunningham bequeath my red hair to Bus Mackey.

I, Juanita Curren bequeath my friend and his Ford to Alice J. Ness.

I, Marjorie Cutshall bequeath my common air to Margaret Tracht.

I, John Dapper bequeath my dates to Richard Horn.

I, Robert Dickerson bequeath my numerous girls to Vaughn Volk.

I, Lloyd Durtschi bequeath my job to anyone who likes to work.

I, Anabel Ferguson bequeath my "Shelby steady" to myself.

I, John Findley bequeath my "ha ha" to Lucien Voisard.

I, Mae Belle Fink bequeath my daring to Elizabeth Petri.

I, Isabelle Foltz bequeath my tardiness to Esther Kimes.

I, Katherine Frank bequeath my skininess to Pauline Ometer.

I, Theodore Freeman bequeath my magazines to Carl Unterwagner.

I, Vesta Garverick bequeath my violin to the Bed Bugs.

I, Walter Goshorn bequeath my height to Anna Macadms.

I, Vera Hannewald bequeath my "better half" to someone who wants one.

I, Vaughn Harding bequeath my red nose to Herb Bodley.

I, Chester Hampton bequeath my shieky reputation to Francis Long.

I, Herman Hoard bequeath my ability to get notes to Burnell Tenant.

I, Mary C. Horn bequeath my glasses to Kitty Laughbaum.

I, DeWight Kersh bequeath my G's to Archie Beach.

SEPTEMBER

12. We had an extra week of vacation but that soon passed and school begins with the usual excitement, and everyone smiling. We have several new teachers—Miss Englehart, Miss Schooley, and Miss Simmerman.

13. Not much school yesterday. But it sure started good and proper today.

14. Oh my, no one seems satisfied with the way their schedules is arranged. Prof. Swick sure is busy changing them.

15. Class meetings are called and each class is busy electing officers for the year.

16. Seniors have another class meeting and elect six members of the Spy staff. The bell rang and it was impossible to elect the rest. Oh yes, we have our first rally today at 3:50 to cheer the boys for their first game.

17. Did we win? Well I should say so, 19-0. Good start don't you think? Crestline sure went home feeling weak and defeated.

19. The Seniors have at last completed electing members for the Spy staff. First Girl Reserve cabinet meeting was held and the orchestra had a meeting for the purpose of organizing.

20. The girls who were interested in Glee Club work had their voices tried out. Prof. Ehrhart said he made some new discoveries. Wonder what they could be!

21. First chapel was held today. Prof. Swick read a story which was taken from the ninth chapter of Acts, from the twentieth to the thirtieth verses. Sang a few songs and were dismissed. A few Sophomore boys thought assembly would be held in the study hall. Seems to be something wrong some place.

22. Things going on about the same as always. A few more girls had their voices tested for the chorus work this year.

23. Well this is Friday again and tomorrow the boys go to Ashland. Yea Team, fight!

24. We witnessed our first defeat this year and it sure was tough luck but we know the boys will do better next time. The score was 7 to 13 in favor of Ashland.

26. The girls have all had their voices tested and most of them are capable of being on the chorus. Prof. Ehrhart has sent for "Love Pirates of Hawaii" which he expects to put on some time in December. The G. R. had a very interesting meeting.

27. The Spy staff held their first meeting today and discussed some of the many duties they have to face. The boys are having their voices tested for chorus work. I wonder how they are getting along.

28. We had assembly today, the speaker being Mr. Gray, a commercial chemist of Pennsylvania. The members of the Band were entertained at the home of Mr. Ehrhart on the Bucyrus road last night.

29. Class meetings were called at 10:20. Seniors are going to have a weiner roast, Friday, Oct. 7, at Ness's Grove. Had a rally this morning and the school surely showed their spirit. Hope they do that well Saturday.

30. No school today! We got off for the Crawford County Fair.

OCTOBER

1. Played Marion today and lost again, the score being 13-0. It rained cats and dogs but the boys kept right on fighting.

3. The boys are having Chorus practice today. Wonder how much they accomplished.

4. Had assembly today, Brooks Fletcher being the speaker. He spoke to us on "The Big Arena of Life." I'm sure we all got a great deal out of it.

5. Nothing much has happened today, its just the same thing in the same way. Study and recite. Recite and Study.

6. Prof. Ehrhart read the names of the students who are in the chorus. He also went through some of the songs of "Love Pirates of Hawaii".

7. We had a rally today and Rufus Eckstein spoke to us about Grit. There was a Pep meeting held at 7 and a good number turned out. After giving yells they had a snake dance through the main streets of town.

8. Oh my, we lost again, but we appreciate the fight that was in the old team. Mansfield is still at the top of the League and from all appearances will stay there.

10. Had chorus practice today. The music for "Love Pirates of Hawaii" is here and we can soon start to learn it.

11. We had assembly at 10:20 today. A man from Philadelphia was here in

the interest of Wooster College. He gave us three reasons why we should go to college which are: 1. To develop any specific talent or skill which one might possess. 2. Culture, and 3. Desire to save Humanity, such as medicines, ministry and law.

12. The first number of the Lyceum Course was given last night. It was a play called "Lightnin'" and it sure was appreciated by all who went. Had chorus practice today and learned two choruses. Not so bad, is it?

13. The Spy Staff got into some heated arguments today, but soon got over them. Try outs for principal parts in "Love Pirates of Hawaii" were completed today.

14. There is no game tomorrow, so we have no rally. Well it gives the boys a rest. Maybe they can fight harder at the next game.

17. Had chorus practice as usual. The Seniors have a History test tomorrow, wonder how many are putting themselves out to study.

18. At 10:20 we were given our chapel seats and oh what a disturbance.

19. The Lantern staff put on chapel today.

20. First issue of the Lantern was put on sale today. The size is somewhat changed since last year.

21. We had a rally at 3:50 for the Shelby game.

22. Oh yes, same as usual, we lost, the score being 14-0. The band was there to do its part and the student body sure did yell, but I guess Fate is against us.

24. Chorus practice at 10:20. We are working hard on "Love Pirates of Hawaii". The Girl Reserve are initiating the new members tonight.

25. The second number of the Lyceum Course was presented, consisting of a reader, cellist, and pianist.

26. The grade cards were given out today and oh my what complaints. I'm sure we'll try and do better next time.

27. Nothing happened today. Things have the usual routine.

28. There is no game tomorrow so the football men are going to Columbus to see the game.

31. Spy staff is trying hard to choose what idea they are going to carry out in the Spy.

NOVEMBER

1. Here it is the 1st of Nov. and such a wonderful day. We are wondering when the first snow will fall.

2. The people in Chorus are working hard on the operetta.

3. The Drama Work Shop Players are presenting "The Youngest" at the High School Auditorium tonight. We have no school tomorrow, the teachers are going to the convention at Cleveland.

5. The boys played Delaware and won, YES WON! The score was 26 to 6 in Galion's favor. Yea Team!

7. Mr. Ehrhart, who attended the music section at the Cleveland convention, states that the first high school orchestra in the state of Ohio was organized in Galion in 1890.

8. The students in Galion high seem to be frozen almost stiff, they are all wondering why the building is so cold. We wonder how many A's there will be as the result of a written lesson in History.

9. This is Educational Week and all parents are invited to visit the schools. We wonder how many students would want to recite.

10. No school tomorrow. We sure are getting our share of Fridays off. Assembly, Rev. Auer spoke on Peace.

1. The boys played Mt. Gilead and won. The score was 24-6.

14. Mr. Ehrhart has divided the cast for "Love Pirates of Hawaii" into two sections, A. and B, and they are starting in hot and heavy.

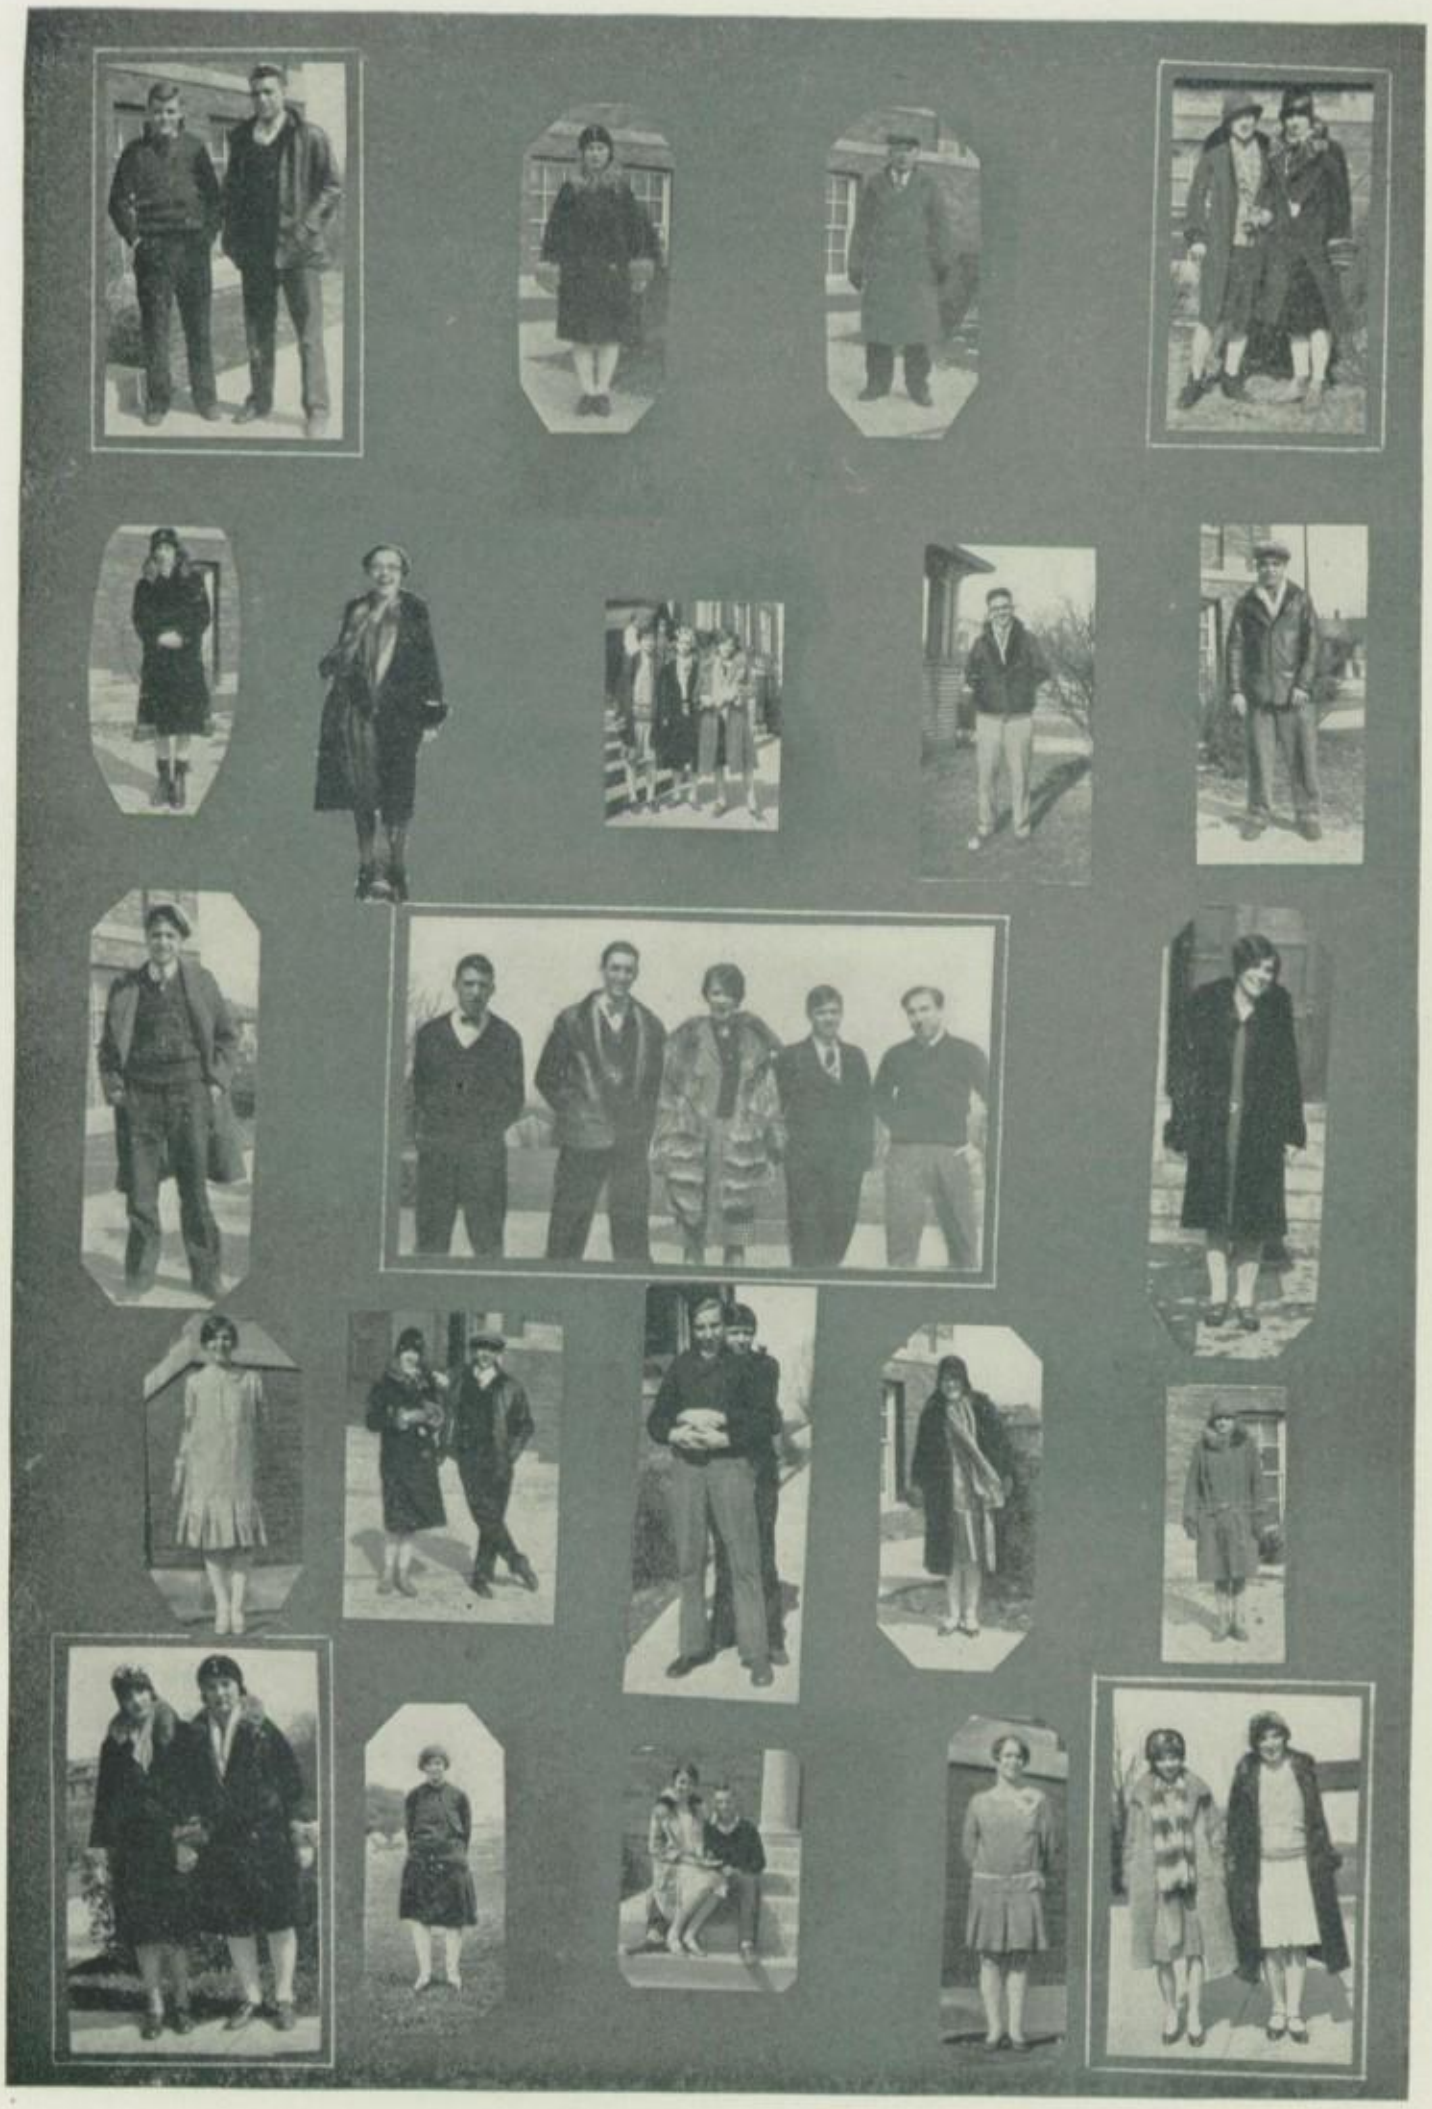
15. Nothing unusual happened today. Its rather dull and dreary outside.

16. We surely ought to win the Bucyrus game next Saturday. They have all the room decorated with Yea Team, Fight Team, etc.

17. We had assembly today. The Advisory Council was in charge of the program.

18. Had a big rally today for the Bucyrus game which is to be played tomorrow. It sure was a wow and there is no reason why we shouldn't win.

19. Oh my, such terrible luck. We lost the game by one point. And to think



Bucyrus scored a touchdown in the last few minutes! But we aren't blaming the boys for that! The final score was 13 to 12.

21. Everywhere you see a group talking about the game Saturday. Oh well, its over with and that's that.

22. The Sociology students are getting instructions as to what they should do when, and how, because they are going to the Reformatory at Mansfield tomorrow.

23. Well Mr. Molder brought all his students back safely. We were rather surprised to find they didn't keep any of them at the Reformatory. Now aren't you?

24. Oh my goodness everyone sure is happy, for just think there is no school Thursday or Friday. Thanksgiving vacation.

28. There are quite a few absent today. Too much turkey. Don't you think?

29. Nothing unusual has happened today. However, it seems as though the janitor forgot to make a furnace fire.

30. Cast A of the Operetta gave a matinee for the children at 4 o'clock.

DECEMBER

1. The Venetian Glass Blowers presented some of their work to the students at 10:20 today. Cast A of "Love Pirates of Hawaii" presented the Operetta tonight.

2. Cast B presented the Operetta to the public. We are wondering which cast has done the best. Perhaps it was equally well presented. Do you think so?

5. Chorus was resumed again, the next thing they expect to work on is Christmas carols.

6. We wonder how near Mr. Ehrhart came to be entirely ruined today. One of his English students was reading the following sentence: "The school set aside certain days on which there are dancing, basketball, tennis, soccer and hockey." When the student came to the word soccer, she asked how to pronounce it. At this moment Miss Amann came into the room and Prof. Ehrhart said "Soccer". Now isn't that insulting?

7. Had assembly today. The girls were addressed by Miss Howe. The boys assembled in the auditorium and were addressed by Mr. Dent.

8. Galion High School is entering the All State Chorus this year. The eight principals of "Love Pirates of Hawaii" are to represent Galion. This will be held at Columbus the 28th of December. The students are working very hard on the music which is to be used.

9. The basketball season is to start very soon. The students of G. H. S. are wondering what sort of a team we will have. A real good one, don't you think?

12. Oh my its such a dreamy day, no wonder everyone who has a chance is sleeping.

13. The Juniors are all talking about the wonderful class rings they are going to get. Wonder if they are really so wonderful.

14. Dr. Adams spoke to the Sociology class today. Oh my what relief for we all thought we were going to have a test.

15. Everyone is all excited about the game which is to be played tomorrow night with Crestline.

16. Did we win? I'll say we did and the boys score was 25-23. Let's give both teams a big "Yea Team".

17. English tests were given this morning and the first period class was 75 minutes long instead of 55. That was alright if you had study but for those who had classes—well it wasn't quite so nice.

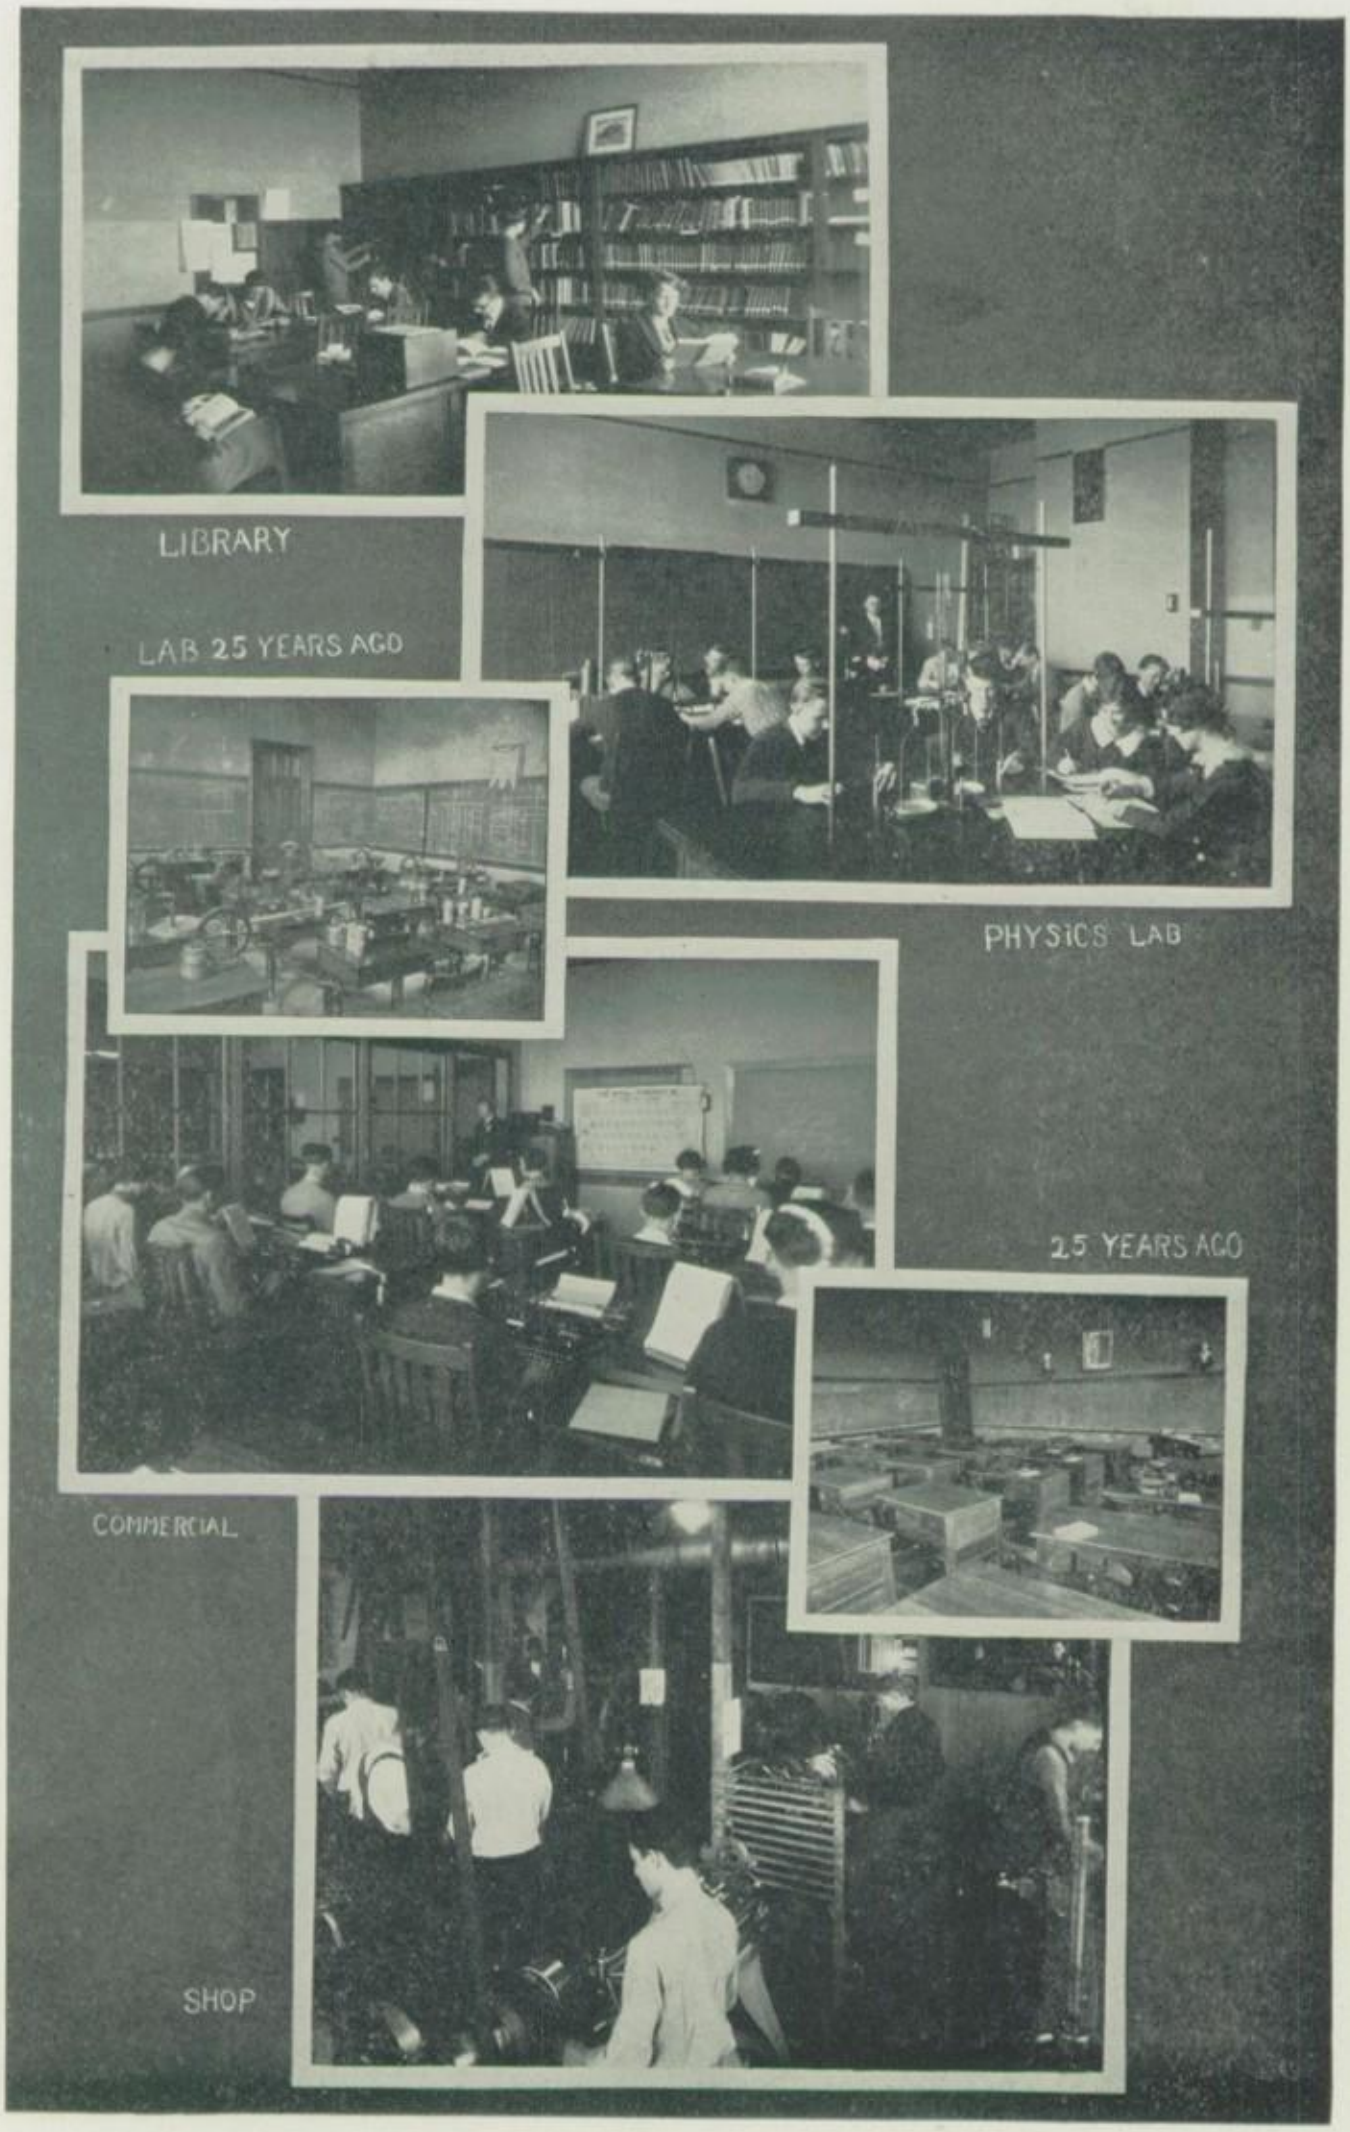
18. The English tests are being given today as well as yesterday. We are all wondering how dumb or smart we are.

19. The Senior class is planning to have a party on the second of January. We are all looking forward to a good time.

20. There are a good number of Christmas parties being thrown. Hope everyone has a good time.

21. Oh my goodness, the Seniors are going to have their pictures taken during their Christmas vacation. I bet there will be a good many mirrors and cameras broken by the time they get through. Now don't you?

22. The Girl Reserves put on a Christmas program, which all enjoyed. About



LIBRARY
LAB 25 YEARS AGO
PHYSICS LAB
25 YEARS AGO
COMMERCIAL
SHOP

twenty of the girls went out to the Infirmary and sang for the people there. After that they presented some fruit which the inmates seemed to enjoy very much.

24. Everyone is happy today for just think no more school until next year.

JANUARY

3. Everyone seemed to have an enjoyable vacation and all ready to start the new year right. The last number on the Lyceum course was given, The Russian Singers being the entertainers.

4. The Spy staff are planning to put on a chapel program some time next week. It ought to be good don't you think?

5. The picture of the Spy staff was taken today for the annual. Everyone tried to look their best.

6. Had a rally for the Shelby game which is to be played tonight. Now fight hard team.

7. The game Friday night sure was a wow. Even though the boys did lose. The girls played a wonderful game, the score being 30 to 15. The boys score was 20-24 in favor of Shelby.

9. The Hi-Y had their picture taken for the Spy today.

10. The Girls Reserve had their pictures taken for the Spy and oh my what a mob.

11. The orchestra had their picture taken today for the Spy.

12. The Spy staff put on a peppy chapel program today. Wonder why we don't have more of them?

13. Had a rally today for the Bucyrus game tonight. We just have to win. So come on team and do your stuff.

16. Did we win Friday? Well I hope to tell ya we did. Those who failed to attend the game sure missed a wow. The score was Bucyrus 19, Galion 20.

17. Rev. Cramer spoke to the students today on Temperance.

18. Exams start today. Now isn't that interesting.

19. No school tomorrow.

20. Oh my! It seems as though we just have to lose a game by two wee points. The boys played Ashland and lost 22-24. Now isn't that too bad. Try and do better next time.

23. Back to school again. Wonder why the students study so hard right after exams. Now can't you imagine?

26. The Seniors had a class meeting today and decided on the announcements. They sure are good looking.

27. The Commercial department is visiting the Banks of Galion today.

FEBRUARY

1. Oh my, wonder what's the matter with the heat? It seems more like an ice box than a school building this morning.

2. Had a rally for the game to be played with Marion tomorrow night.

3. Sure was some game. Galion lost by a few points.

7. The Elson Exhibit presented some masterpieces of art for the students of Galion to see.

8. The Girl Reserve supervised a chapel program which was very interesting. The program consisted of some of the pupils of Miss Todd and Mrs. Koppe.

9. We are having Popular Science Demonstration today at 3 o'clock. Now isn't that nice we get out of a period of hard work.

10. Had a rally today. The boys play Mansfield. Yea Team fight!

13. Sorry to say but the boys lost the game which was played Friday night with Mansfield, the score being 20 to 30. The girls played the Y. W. C. A. and won with a score of 28 to 40.

14. The Girl Reserve and the Hi-Y had a joint meeting last night. The discussion was on "Ideals". It was a very peppy meeting and I'm sure we would enjoy another.

15. Nothing unusual happened today.

16. Had assembly today. Theodore Schaefer played two organ numbers, The

Doll Dance and the Sweetheart of Sigma Chi, after which Prof. Swick read us a bible story. The rest of the period was spent in singing songs.

17. Had a rally today for the game to be played with Delaware.

20. The girls, who played Norwalk girls played a tie game, the score being 19-19. The boys lost by a few points. The score was Delaware 29, Galion 23.

21. The members of the Hi-Y put on a chapel program today. It was a patriotic program and everyone enjoyed it.

23. No school yesterday. We observed Washington's birthday.

24. We sure had a peppy rally today for the Bucyrus game. "Pinny" Leach and Rufus Eckstein gave up a lot of pep in the talks.

27. Too bad we had to lose the game Friday but—Oh well it was a good game anyway. The score was 35 to 28. The girls lost too.

28. The Girls' Basketball Squad had their pictures taken for the Spy today.

29. Had chapel today. Miss John introduced the members of the debating teams.

MARCH

2. Galion had their first debate with Upper Sandusky and both negative and affirmative teams lost.

7. The Girl Reserve and the Hi-Y gave a chapel program, which was enjoyed not only by the students but also by a good many visitors.

8. We received our grade cards today and oh my what comparing of grades, and complaints—well they can't be beat. Negative team lost to Ashland 2 to 1.

9. Negative team beat Mansfield 3 to 0!

12. Had assembly today. Pictures were shown of California and they sure were wonderful.

13. Mr. Powers read some of Riley's poems and showed pictures of the great poet, which were very interesting.

14. Miss Todd put on a program at Jr. High today. Six Senior High students took part in the program.

15. Had a fire drill today and oh my it was hard to come back to the building and study. Affirmative team beat Ashland 3 to 0.

16. Seniors had a class meeting and decided to wear caps and gowns for commencement.

19. Mr. Budd spoke to the Economics classes Friday. His subject was "My Experience as a Down Town Business Man".

20. The Girl Reserve and Hi-Y had a joint meeting last night which proced very interesting.

21. "The Tale of Two Cities" was shown for the benefit of the English classes, however all other students were invited.

23. Had assembly today. The letters were given out to the basketball boys and girls. Affirmative beat Marion 2-1. Negative lost to Delaware 2-1. Sophomore party.

24. Twenty-one members of the Girls Reserve went to Delaware to a district convention today.

26. Yesterday ended the Sunday afternoon programs for the year. Many of the High School students took part in the program.

JOKES

Sheik: If 32 is the freezing point, what is the squeezing point?
She (Turning red): I don't know.
Sheik: 2 in the shade.

He held her close to him, gazing long into the depths of her gazelle-like eyes. She returned his gaze steadily, a tremulous, half, little smile struggling upon her quivering lips. For long seconds they stood thus, neither speaking, but just gazing —gazing into each others eyes. At last, just as it was becoming unbearable he broke the silence. "Madam," he said, shaking his head slowly. "You should have consulted an oculist sooner. Unless your sight is treated at once you will develop a decided squint."

Johnnie Burnison: My landlady gave me just two days to pay the rent.
Hubert Marshall: What did you do?
Johnnie: I said, All right. I'll take the 4th of July and Christmas.

A motorist, stranded by the roadside, telephoned frantically for assistance. "I've turned turtle," he shouted.
"Well, this is no aquarium," came the answer.

Mysteries—Love, Women and Hash.

At 3 o'clock in the morning—"My good fellow you had better take a taxi home."
"Sh' no ushe, my wife wouldn't let me (hic) keep it in the houshe."

Teacher: Give me a sentence with the word blooey.
Francis Macadams: He has a cold so he blooey's nose.

Archie Beach (Rushing into crowded barber shop): Mr. Pullman, how long will I have to wait for a shave?
Mr. Pullman (Eyeing him critically): Oh, I should judge about two years.

Mr. Mumford: So you want to marry my daughter? Are you able to support a family?
Harold Sharrock: I think so, sir.
Mr. Mumford: Now, think again, young man. There are seven of us.

Mintie Rizor: See that man? He's living on the fat of the land.
Helen Allenbaugh: What's he done—robbed a bank?
Mintie: No, he's the manufacturer of a get-thin-quick chewing gum.

Katie Franks: Let's go huntin' rabbits.
Izzie Monroe: I ain't lost no rabbits.

Big Kersh: Are you sure it was a marriage license you gave me last month?
Clerk at Court House: Certainly. Why?
Big Kersh: Because I've led a dog's life ever since.

Santa Claus is the man with a snow-storm all over his face.

Marjorie Cutshall: What is the difference between an old maid and a married woman?
Harriet Raiser: I don't know.
Marjorie: The old maid is not married.

Ted Freeman: Pardon me for coughing.
Evelyn Sawyer: Sure.
Ted: You know I feel a little husky after sleeping in the corn crib last night.

Prof. Ehrhart: What key are you playing in?
Jimmie Aukerman: Skeleton key.
Prof: Skeleton key?
Jimmie: Sure, fits anything.

WHY GRADUATION GIFTS?

THE first great event in a boy or girl's life is graduation. They have finished the hard tasks of school life; you should feel proud of them. Why not give them a gift that will stand as a lasting remembrance all their lives? The ideal gift is a Diamond Ring, a Watch or some other fine piece of Jewelry. We are showing them in all the latest styles and finishes at prices to suit your purse. Call and see them.
